› Sophomore level student with a 3.0 GPA or higher
› Freshmen level student with a 3.0 GPA or higher and ACT scores within the 90th percentile
› Appropriate placement scores for math, reading and writing, such as ACT or ACCUPLACER.

2018-2019 TUITION

› $79 per credit hour
› $94 per credit hour for online classes

Enrollment

Eligible High School students who wish to enroll in Dual Credit courses through State Fair Community College should complete the following steps:

1. Complete the online Dual Credit application (first time Dual Credit students only) at www.sfccmo.edu/dualcredit (select “For Students”).

2. Submit the three following documents to dualcredit@sfccmo.edu or your High School Counselor:
   a. Dual Credit Enrollment Form

Paying for Classes

Once students have been enrolled into their selected courses, they will receive a bill at the address provided on the online application. By enrolling in classes, students accept responsibility for payment of all tuition and fees due to the college. If students change their minds about a course after the drop deadline has passed, they are still responsible for 100% of the tuition and fees due to the college.

Failure to pay a tuition balance by the due date will create an account hold and students will be unable to make schedule changes, enroll in subsequent classes or receive a transcript until payment is complete.

How to Log in to mySTAR

mySTAR is SFCC’s informational portal and the place where you can pay your bill and check grades, access student email, SFCC Online, library databases, and view campus news and events. It is extremely important that students check mySTAR and student email several times a week to read announcements and check messages. mySTAR announcements and student emails are the college’s official way of contacting you.

› Go to www.mystar.sfccmo.edu
› Your username is your nine-digit Student ID Number. This was emailed to you after you completed the online Dual Credit Application.
› You default password is your birthday (MMDDYY) followed by a dash (-) and your first and last initial in all CAPS. (i.e. 010203-FL)
› For assistance, call the 24/7 Help Desk at (866) 295-3070.

Email

› Your SFCC Email is located in the upper right-hand corner of your mySTAR account.
› This email is how you will communicate with your SFCC Instructors, AND how your instructors will communicate with you!
› It is important to check your SFCC email daily.

Canvas

Canvas is SFCC’s online learning management system. Through Canvas, students can locate their course syllabus, instructor contact information, submit assignments, quizzes and tests, participate in discussion board posts, and check grades. It is extremely important that students stay up to date with their required coursework through Canvas.
TO LOG IN TO CANVAS
› Log in to mySTAR and go to Student tab
› Select the Canvas icon
› Log in to Canvas with your username (the front part of your SFCC Email address) and the same password as your mySTAR.

Dropping Classes

To drop a class, students must submit a written request to Admissions and Outreach that includes their name, the appropriate title of the course and the date the request is made.

Before dropping one or more classes, there are several important factors that students should consider:

› Be aware of refund dates. The 100% refund date is five days after the start of the class.
› If a course is dropped after the 100% refund date, the student is still responsible for 100% of tuition and fees.
› Students should consult with their instructor before dropping any course.
› Every school district has different policies in place in regard to dual credit. Students should consult with their counselor or principal before dropping any SFCC course to ensure that they will still be on track to graduate.

Responsibility lies with the student to initiate the drop/withdrawal from any college credit course. Communicating a desire to drop a class to an instructor or counselor does not automatically mean the student is dropped. Communication must be received by Admissions and Outreach at SFCC before the 100% refund deadline to be eligible for a refund.
Educational Records

FERPA
In accordance with the Family Educational Rights and Privacy Act (FERPA), State Fair Community College is legally prohibited from releasing information contained in a student's educational files to anyone except the student. In order for other individuals to have access to a student’s educational files, financial aid information or student accounts, the student must complete and return a Student Consent to Release Educational Records form to Academic Records and Registrar, State Fair Community College, 3201 West 16th Street, Sedalia MO 65301, or fax to (660) 596-7472. The SFCC Dual Credit office cannot communicate with parents or guardians concerning their child's educational records (even if the student is under 18 years of age) if a release form is not on file. The form is available in the counselor's office or at www.sfccmo.edu/offices-services/academic-records-registrar/ferpa.

Transferring Credit

After high school graduation, if students enroll at an institution other than SFCC, they will need to transfer their credits. The responsibility lies with students to verify and ensure that credits attained through SFCC are accepted at the institution to which they are transferring. The institution the student chooses to attend always determines the transferability of credits.

An academic record (transcript) is permanently maintained for each student who takes classes at State Fair Community College.

INSTRUCTIONS FOR REQUESTING A TRANSCRIPT ONLINE
SFCC no longer accepts transcript requests in person, by mail, telephone, email, fax or in writing. SFCC now uses the National Student Clearinghouse as our online transcript services provider.

› Log in to mySTAR using your student ID and password
› Go to the Student tab
› Go to “I need to...”
› Select Request Office Transcript or Check Status
› Access the National Student Clearinghouse website

If a problem occurs while submitting the request, call Academic Records and Registrar at (660) 530-5829. Please do not submit the request again until notified the problem has been solved.

All requests are processed in the order received. Transcripts cost $10 per copy plus a processing fee. Payment can be made with a credit or debit card.
TRANSCRIPT DELIVERY OPTIONS

› Mail
› Hold for pickup
› Electronic PDF direct to recipient

SFCC does not offer same-day, fax or rush options. It is important to check with the recipient to determine which delivery methods are acceptable. A transcript is not considered official if the seal is broken.

Academic Honesty Policy

SFCC values the academic integrity of its curriculum and the commitment of its faculty and students to uphold the integrity in all teaching and learning processes. For this reason, the following acts of academic dishonesty will not be tolerated:

› Plagiarizing any information,
› Cheating in any form, or
› Falsifying any information provided to the college.

Penalties range from failing assignments to expulsion from the course or the college.

Accommodations Documentation Requirements

In order to fully evaluate requests for accommodations or auxiliary aids and to determine eligibility for services, the Access office must have recent documentation (within three years) of the student’s disability. The documentation should include an evaluation by an appropriate medical or psychological professional that makes evident the current impact of the disability as it relates to the accommodation(s) requested.

The general guidelines below are to assist the student in working with the student’s treating/diagnosing professional(s) to prepare the information needed to evaluate the student’s request(s).

1. Current functional impact of the condition(s). Please consider the following: mobility, dexterity, endurance, perceptual issues, cognitive (attention, distractibility, communication, etc.), and behavior abilities. Please describe relevant issues as a clinical narrative and/or through the provision of specific results from the diagnostic procedures and assessments.

2. Treatments, medication, accommodations/auxiliary aids, services currently prescribed or in use. Please describe treatment, medication accommodations/auxiliary aide and/or services currently in use and your opinion of their effectiveness in minimizing the impact of the conditions(s). If you feel that any additional accommodation/auxiliary aids are warranted, please list them along with a clear rationale and related functional limitations. Any accommodation or auxiliary aids will be taken into consideration, but will not automatically be implemented.
3. The expected progression or stability of the disability. If possible, please provide a description of the expected change in the functional impact of the conditions(s) over time. If the condition is variable, describe the known triggers that may exacerbate the condition.

4. A diagnostic statement identifying the disability. When appropriate, include International Classification of Diseases (ICD) or Diagnostic Statistical Manual (DSM) codes, the date of the most recent evaluation, or the dates of evaluations performed by referring professionals. If the most recent evaluation was not a full evaluation, please indicate when the last full evaluation was conducted.

Accommodations students receive for dual credit class(es) may be different from high school because the course(s) will need to reflect college-level work required of all students. For details, visit [www.sfccmo.edu/offices-services/disability-services](http://www.sfccmo.edu/offices-services/disability-services).

To request accommodations for a dual credit course or for questions, contact SFCC’s Access office at (660) 530-5832.
Many SFCC dual credit courses require that certain scores be attained before a student is eligible to enroll.

The ACT or ACCUPLACER placement test scores are used to place a student in classes that are right for his or her skill level.

Once scores have been determined, view the placement test chart at www.sfccmo.edu/dual-credit (select “For Students”) to see what courses a student can be placed into.

The ACCUPLACER is offered at approved high schools and at these SFCC campus locations: Boonville, Clinton, Lake of the Ozarks, Sedalia, Warsaw, Whiteman Air Force Base, and Saline County Career Center.

Check with your school counselor to see if you can take the ACCUPLACER at your high school.

Visit www.sfccmo.edu/testing for ACCUPLACER test resources and how to make an appointment to take the test at one of SFCC’s campuses.

Multiple Measures-

- If a student does not meet a course prerequisite after testing, the student may qualify for a multiple measure if he or she has a 3.5 unweighted, cumulative GPA.
- Students may take WritePlacer after completing the ACCUPLACER for multiple measures into English courses.
- Multiple Measures only applies to English 101, MATH 112, MATH 114, and MATH 108
- Check with the Dual Credit office or your high school counselor to determine if you qualify for a multiple measure.

Note: A high school transcript or an official WritePlacer score must be on file at SFCC for multiple measure advancement.
