

# Class list from mySTAR

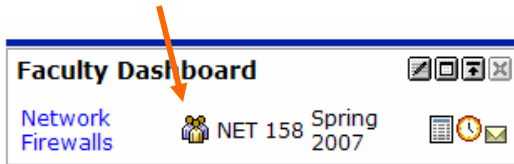

Log in to mySTAR using your ID# /network password.

Click on the Faculty tab

Locate the Faculty Dashboard channel (default 3<sup>rd</sup> column)

Click on the people icon

This will take you into STAR self service and display the Summary List of Students. To print your class list, you can place your cursor in the frame with the summary list and use the right mouse button to display a menu to select print.

To return to the Faculty tab, click [back to Faculty Tab](#)
