

Academic Records and Registrar

Adding a Section

Schedule Changes Adding a Section Instructions

Students may add a course online through the student portal, mySFCC, up to the published date. Some courses may require special approval which must be obtained prior to enrollment. After the published date or in other situations a student must obtain approval to add a section.

Procedure:

1. Students should contact their Navigator prior to adding a section.
2. Locate the action and requirement on the **Schedule Changes- Adding a Section Approvals** chart. If multiple options are available select only one. Dean, Division Chair or Director approval must be from the one responsible for the course or campus. A Navigator can request approval to add a section on behalf of a student for actions that require approval from a Dean, Division Chair, Director or Vice-President.
3. Written approval must be obtained by email or form; verbal approval is not acceptable.
4. Written requests must be submitted by email or form; verbal approval is not acceptable.
5. The request or approval is submitted to the Academic Records and Registrar Office.
 - a. Email: add-drop@sfccmo.edu
 - b. Form: Hopkins Building
6. In the case of an appeal, the student, instructor, navigator and the Academic Records and Registrar Office will be notified.

Approval Legend:

Title	Approver	Sections

Prerequisite Overrides Instructions

Description: Define the approval process for prerequisite overrides.

Effective Date: Spring 2016 registration and forward.

Criteria:

1. Prerequisite overrides are not approved for developmental courses.
2. Prerequisite overrides are not approved for courses that have developmental prerequisites.
3. Prerequisite overrides are not approved for courses that have English or Mathematics prerequisites.
4. Prerequisite overrides should only be approved when a student has industry training or experience that is not reflected in the student's coursework or demonstrates that he or she has mastered the objectives of the previous course.

Procedure:

1. Students should contact their Navigator prior to requesting the approval. A Navigator can request approval on behalf of a student.
2. The approval request is sent by the student or Navigator to the Division Chair responsible for the course. This includes courses that are being offered at extended campus sites. The Division Chair sends the approval or disapproval to add-drop@sfccmo.edu.
3. The student and Navigator will be notified if the request is approved or denied and the student has been added to the section if applicable.
