Report on the Financial Statements

We have audited the accompanying financial statements of the business-type activities, as of and for the year ended June 30, 2018, of State Fair Community College, and the related notes to the financial statements, which collectively comprise the College's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the College's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the College's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

Member of The Leading Edge Alliance

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of State Fair Community College as of June 30, 2018, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, pension information, and other postemployment benefit information be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise State Fair Community College's basic financial statements. The combining financial statements are presented for purposes of additional analysis and are not a required part of the basic financial statements. The schedule of expenditures of federal awards is presented for purposes of additional analysis as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, and is also not a required part of the basic financial statements.

Board of Trustees
State Fair Community College
Sedalia, Missouri

The combining financial statements and the schedule of expenditures of federal awards are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining financial statements and the schedule of expenditures of federal awards are fairly stated in all material respects in relation to the basic financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated December 7, 2018, on our consideration of State Fair Community College's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering State Fair Community College's internal control over financial reporting and compliance.

MANAGEMENT'S DISCUSSION AND ANALYSIS

**STATE FAIR COMMUNITY COLLEGE
MANAGEMENT'S DISCUSSION AND ANALYSIS
Year Ended June 30, 2018**

Introduction

Management's Discussion and Analysis is an overview of the financial position and activities of State Fair Community College (the College). It should be read in conjunction with the financial statements and notes that follow.

The College prepares the financial statements in accordance with Government Accounting Standards Board (GASB) Statement No. 35, *Basic Financial Statements – and Management's Discussion and Analysis – for Public Colleges and Universities*. GASB Statement No. 35 establishes standards for external reporting for public colleges and universities and requires that financial statements be presented on a combined basis to focus on the College as a whole. The accompanying combined financial statements of the College include the accounts of the Junior College District of Sedalia (the District), the State Fair Community College Facilities Corporation (the Facilities Corporation) and the State Fair Community College Foundation (the Foundation).

There are three financial statements presented: the Combined Statement of Net Position; the Combined Statement of Revenues, Expenses, and Changes in Net Position; and the Combined Statement of Cash Flows. The emphasis of the discussion about the financial statements is on current year data. Previously, financial statements focused on the accountability of individual fund groups rather than the College as a whole. Fund statements are still used internally to manage the College and for external reporting to various agencies.

Individual fund statements have not been included in this financial statement presentation. The main difference between the College's financial statements and the individual fund statements presentation is the treatment of scholarship aid used for tuition and fees. The statements, per GASB 35, require such aid to be offset against tuition and fees, whereas the individual fund statements accounts for tuition and fees and scholarship aid at gross.

Fund accounting is the procedure by which resources for various purposes are classified for accounting and reporting purposes into funds that are maintained in accordance with activities or specific objectives. Separate accounts are maintained for each fund. Funds that have similar characteristics have been combined into fund groups. Accordingly, all financial transactions have been recorded and reported by fund groups.

Using the Financial Statements

The College's financial report includes three financial statements: the Combined Statement of Net Position; the Combined Statement of Revenues, Expenses, and Changes in Net Position; and the Combined Statement of Cash Flows. These financial statements are prepared in accordance with GASB principles, which establish standards for external financial reporting for public colleges and universities.

**STATE FAIR COMMUNITY COLLEGE
MANAGEMENT'S DISCUSSION AND ANALYSIS
Year Ended June 30, 2018**

Combined Statement of Net Position

The Combined Statement of Net Position presents the assets, deferred outflows of resources, liabilities, and deferred inflows of resources, and net position of the College, the Facilities Corporation, and the Foundation at June 30, 2018. The purpose of the Combined Statement of Net Position is to present a snapshot of the financial condition of the College. Net position represents the difference between assets, deferred outflows of resources, liabilities, and deferred inflow of resources.

Assets and liabilities are categorized as current or noncurrent. The difference is that current assets and liabilities mature or become payable within the normal 12 month accounting cycle versus noncurrent, which mature or become payable after 12 months. For example, at June 30, 2018, the College's current assets consisted primarily of cash and cash equivalents, short-term investments, net accounts receivable, auxiliary inventories, and other assets. Non-current assets consist of property and equipment. Property and equipment are the capital assets owned by the College or the Facilities Corporation.

Net position is presented in three major categories. The first is net investment in capital assets, which represents the College's equity in its property and equipment, net of related debt. The second is restricted net position, which is restricted for capital projects. The third is unrestricted net position, which is available for any lawful purpose.

The following table of the College's net position at June 30, 2018, shows the unrestricted portion at negative \$5.6 million.

		(In Millions)	
		2018	2017
Current Assets		\$ 27.0	\$ 27.5
Non-current Assets		39.5	40.2
	TOTAL ASSETS	66.5	67.7
Deferred outflow of resources		12.1	10.9
Current Liabilities		2.4	3.6
Non-current Liabilities		30.7	30.7
	TOTAL LIABILITIES	33.1	34.3
Deferred inflow of resources		6.0	4.3
Net investment in capital assets		29.5	29.8
Restricted		15.5	15.7
Unrestricted		(5.6)	(5.5)
	TOTAL NET POSITION	\$ 39.4	\$ 40.0

Combined Statement of Revenues, Expenses, and Changes in Net Position

The Combined Statement of Revenues, Expenses, and Changes in Net Position presents the College's financial results for the fiscal year. The statement includes the College's revenues and expenses, both operating and nonoperating.

Operating revenues and expenses are those for which the College directly exchanges goods and services. Nonoperating revenues and expenses are those that exclude specific, direct exchanges of goods and services. Local property tax revenue and state aid are two examples of nonoperating revenues where the local taxpayers and the state, respectively, do not directly receive goods and services for the revenue.

The following is a condensed summary of the change in net position, with prior year comparable data:

		(In Millions)	
		2018	2017
Operating Revenue		\$ 34.5	\$ 34.1
Operating Expenses		(47.5)	(48.7)
	OPERATING (LOSS)	(13.0)	(14.6)
Nonoperating Revenues (Expenses), net		12.4	15.6
Change in Net Position		(0.6)	1.0
Net Position, Beginning of year		40.0	42.1
Change in accounting principle		-	(2.1)
Net Position, End of year		\$ 39.4	\$ 40.0

One of the financial strengths of the College is the diverse stream of revenues that supplement its student tuition and fees. The following are the College's 2018 and 2017 revenues, both operating and nonoperating:

		(In Millions)	
		2018	2017
OPERATING REVENUES			
Student tuition and fees, net		\$ 9.4	\$ 9.1
Contracts and grants		21.2	20.9
Auxiliary services		2.8	2.9
Other		1.1	1.2
	TOTAL OPERATING REVENUE	\$ 34.5	\$ 34.1

**STATE FAIR COMMUNITY COLLEGE
MANAGEMENT'S DISCUSSION AND ANALYSIS
Year Ended June 30, 2018**

	(In Millions)	
	2018	2017
NONOPERATING REVENUES (EXPENSES)		
State appropriations	\$ 6.0	\$ 7.6
County property tax revenue	3.5	3.6
Gifts and donations	2.0	3.3
Investment income	0.6	0.2
Unrealized gain (loss) on investments	0.6	1.3
	0.2	-
Interest on debt related to property	(0.5)	(0.4)
NONOPERATING REVENUES (EXPENSES), NET	\$ 12.4	\$ 15.6

Following are the components of operating expenses for the College during 2018 and 2017:

	(In Millions)	
	2018	2017
OPERATING EXPENSES BY FUNCTIONAL CLASSIFICATION		
Instruction	\$ 13.1	\$ 13.4
Academic support	4.4	2.7
Student services	3.8	3.4
Institutional support	6.2	8.7
Auxiliary services	2.9	3.2
Scholarships and fellowships	11.4	11.4
Depreciation	2.4	2.2
Bad debt expense	0.4	0.3
Plant operating expenses	2.9	3.4
TOTAL	\$ 47.5	\$ 48.7

	(In Millions)	
	2018	2017
OPERATING EXPENSES BY NATURAL CLASSIFICATION		
Salaries and benefits	\$ 20.0	\$ 20.3
Supplies and other services	12.3	13.4
Scholarships and fellowships	11.4	11.4
Utilities	1.0	1.0
Depreciation	2.4	2.2
Bad debt expense	0.4	0.4
TOTAL	\$ 47.5	\$ 48.7

Combined Statement of Cash Flows

The Combined Statement of Cash Flows presents information about the cash activity of the College. The statement shows the major sources and uses of cash. The following is a summary of the combined statement of cash flows for the years ended June 30, 2018 and 2017:

	(In Millions)	
	2018	2017
Cash Provided (Used) By:		
Operating activities	\$ (9.5)	\$ (11.8)
Noncapital financing activities	12.7	13.0
Capital financing activities	(1.7)	(3.6)
Investing activities	3.8	3.4
Net Change in Cash and Cash Equivalents	5.3	1.0
Cash and Cash Equivalents, Beginning of year	5.1	4.1
Cash and Cash Equivalents, End of year	<u>\$ 10.4</u>	<u>\$ 5.1</u>

Combined Long-Term Obligations

The following is a summary of long-term obligations of the College as of June 30, 2018 and 2017:

	(In Millions)	
	2018	2017
LONG-TERM OBLIGATIONS - COMBINED		
Loans and leases	\$ 4.9	\$ 4.5
Certificates of participation	5.2	5.9
Net pension liability	18.6	18.5
Postemployment benefit liability	2.7	0.6
TOTAL LONG-TERM OBLIGATIONS	<u>\$ 31.4</u>	<u>\$ 29.5</u>

**STATE FAIR COMMUNITY COLLEGE
MANAGEMENT'S DISCUSSION AND ANALYSIS
Year Ended June 30, 2018**

Economic Outlook

The College continues to successfully face significant financial challenges to its academic programs and technology, stemming from the State's trend with significant swings in revenue growth/decline. Revenue forecasting is challenging under the best of circumstances and is even more difficult when the previous year includes abnormally low growth following a period of abnormally high growth.

The Governor's Fiscal Year 2019 Budget was based on a forecast of revenue growth of 3.8 percent in Fiscal Year 2019. Even with the projections of revenue growth, originally Governor Greitens' recommended funding cuts to public colleges and universities indicating higher education institutions could cut administrative bloat, eliminate duplicative, low-impact programs, step up cost-saving collaborations, and improve operational efficiencies; however, with Greitens stepping down and being replaced by Governor Parson the lawmakers largely protected funding for Missouri's public colleges and universities in their approved version of the FY 2019 budget.

Given the continuation of this difficult economic environment of slow revenue growth, it is imperative that the College continue its ongoing efforts toward revenue diversification and cost containment in order to provide the necessary resources to support a level of excellence in service to our students and College community. In addition, the Federal government, concerned about the issue of college costs, is proposing a plan with a number of elements that could cause major transformation in higher education reforms. It is important that the administration pay close attention to the proposal and the impact it could have on the allocation of federal student aid.

The revenues the College receives for sponsored programs from various government agencies and private sources are an increasingly important supplement to the fundamental support provided by State appropriations, student tuition, and local property taxes.

While the College is well positioned to maintain a strong financial position in the near term, ongoing constraints on revenue are expected due to flat or reduced State appropriations due to structural problems with the budget, flat local property taxes, and modest tuition increases with the implementation of tiered tuition for many of the high-cost technical programs. Management believes that some of the pressure can be offset by enrollment management and continued efforts to contain certain costs. The College's financial position is closely tied to the economy and the State's budget. Changes in the economy, unemployment rates, high school graduation yield rates, and retention efforts have all affected student enrollments. Additionally, management needs to continue to monitor the performance measures that are becoming more a part of the agenda at both the Federal and State level.

**STATE FAIR COMMUNITY COLLEGE
MANAGEMENT'S DISCUSSION AND ANALYSIS
Year Ended June 30, 2018**

As a labor-intensive organization, the College faces competitive salary pressures related to attracting and retaining quality faculty and staff. Moreover, consistent with the national landscape, the cost of the College's benefits for its active employees and retirees has increased dramatically over the past several years, with the increasing cost of medical care and prescription drugs of particular concern. Even though the retirement system has been relatively stable for the past five years, and medical care and prescription drug costs have remained low relative to the national average, the administration continues to keep these costs in the budget discussions each year. The new GASB statements make significant changes to both how OPEB liabilities are calculated and reported. Additionally, some components of the *Patient Protection and Affordable Care Act* could have a significant impact on health-care costs to the College. To address these challenges, the College has successfully taken and continues to take proactive steps to respond to the challenges of rising costs while protecting the quality of the overall benefit package.

While it is not possible to predict future results, overall, management believes that the College's financial position remains strong as evidenced by the 2018 financial statements.

Contacting the College's Financial Management

This financial report is designed to provide our citizens, taxpayers, students and investors with a general overview of the College's finances and to show the College's accountability for the money it receives. If you have questions about this report or need additional information, contact Mr. Garry Sorrell, Vice President for Finance and Administration, State Fair Community College, 3201 West Sixteenth Street, Sedalia, MO 65301.

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

State Fair Community College was created on April 5, 1966, as the Junior College District of Sedalia, Missouri and operates under an elected Board of Trustees form of government. State Fair Community College is a public institution of higher education providing services to residents in all or in part of the counties of Benton, Pettis, Cooper, Hickory, Johnson, Morgan, Henry and Saline.

The accounting methods and procedures adopted by the College conform to accounting principles generally accepted in the United States of America as applied to governmental entities. The following notes to the financial statements are an integral part of the College's Financial Statements.

Financial Reporting Entity

The financial reporting entity consists of (a) the primary government, (b) organizations for which the primary government is financially accountable, and (c) other organizations for which the primary government is not accountable, but for which the nature and significance of their relationship with the primary government are such that exclusion would cause the reporting entity's financial statements to be misleading or incomplete. Component units are legally separate organizations for which the elected officials of the primary government are financially accountable. Financially accountable means the primary government is accountable for the component unit and the primary government is able to impose its will or the component unit may provide financial benefits or impose a burden on the primary government. In addition, component units can be other organizations for which the nature and significance of their relationship with the primary government are such that exclusion would cause the reporting entity's financial statements to be misleading or incomplete.

The College is a primary government, which is governed by an elected six-member Board. As required by accounting principles generally accepted in the United States of America, the College has evaluated the above criteria to determine whether any other entity meets the definition of a component unit and must be included in these financial statements. The component units discussed below are included in the College's reporting entity because of the significance of its operational or financial relationships with the College.

Component Units

Blended Component Units:

The State Fair Community College Facilities Corporation ("Facilities Corporation") is governed by a nine-member Board appointed by the College. Although it is legally separate from the College, the Facilities Corporation is reported as if it were part of the primary government because its sole purpose is for the planning, development, acquisition, construction, reconstruction, improvement, extension, repair, remodeling, renovation and financing of sites, buildings, structures, facilities, furnishings and equipment for the benefit or use of the College.

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

The J. Higdon Potter Educational Foundation (the “Foundation”) (also known as the State Fair Community College Foundation) is governed by a separate board. Although legally separate from the College, the Foundation is reported as if it were part of the primary government because its sole purpose is to raise monies for scholarships and the benefit of the College.

Basis of Accounting and Measurement Focus

The College prepares its financial statements in accordance with accounting principles generally accepted in the United States of America, as prescribed by the Governmental Accounting Standards Board (“GASB”). For financial reporting purposes, the College is considered a special purpose government engaged only in business-type activities. Accordingly, the College’s financial statements are presented using the economic resources measurement focus and the accrual basis of accounting, which is similar to that often found in the private sector. The measurement focus is upon income determination, financial position and cash flows.

GASB Statement No. 35, *Basic Financial Statements and Management’s Discussion and Analysis - for Public Colleges and Universities* establishes standards for external financial reporting for public colleges and universities, which is meant to present information in a format that more closely resembles that of the private sector. The College reports as a business-type activity, as defined by GASB Statement No. 35.

The College’s resources are classified for accounting and reporting purposes into the following net position categories:

Net Investment in Capital Assets – Capital assets, net of accumulated depreciation and outstanding principal balances of debt attributable to the acquisition, construction or improvement of those assets.

Restricted – Net position whose use by the College is subject to externally imposed stipulations that they can be fulfilled by actions of the College pursuant to those stipulations or that expire by the passage of time. When the College is able to utilize restricted expendable assets or unrestricted assets, it utilizes the restricted assets first. The College’s restricted net position reflects unspent tax levy proceeds restricted for debt service and unspent contributions with purpose restrictions.

Unrestricted – Net position that is not subject to externally imposed stipulations. Unrestricted net position may be designated for specific purposes by action of management or the Board of Trustees or may otherwise be limited by contractual agreements with outside parties.

It is the College’s policy to first use restricted net position prior to the use of unrestricted net position when expenditures are made for purposes for which both restricted and unrestricted net position are available.

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Change in Accounting Principle

The Governmental Accounting Standards Board (GASB) issued Statement No. 75 – *Accounting and Financial Reporting for Postemployment Benefits Other than Pensions* (OPEB), issued June 2015 for the year ending June 30, 2018. The statement establishes standards for measuring and recognizing liabilities, deferred inflows and outflows of resources, and expenses relating to other postemployment benefits, note disclosures, and required supplementary information. The College adopted GASB Statement No. 75 for the year ended June 30, 2018, and retroactively restated balances at June 30, 2017.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Fair Value

The fair value measurement and disclosure framework provides for a fair value hierarchy that gives highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. There have been no significant changes from the prior year in the methodologies used to measure fair value. The levels of the fair value hierarchy are described below:

Level 1 – Inputs using quoted prices in active markets for identical assets or liabilities

Level 2 – Inputs using significant other observable inputs including quoted prices for similar assets or liabilities

Level 3 – Inputs are significant unobservable inputs

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Cash, Cash Equivalents, and Investments

The College considers all highly liquid investments (including restricted assets) with an original maturity of three months or less at date of acquisition to be cash equivalents. Securities with an initial maturity of more than three months at the date of acquisition are reported as investments.

Student Accounts Receivable

Student accounts receivable are uncollateralized student obligations. Accounts receivable are stated at the billed amount less applied scholarships and loan proceeds. The carrying amount of accounts receivable is reduced by an allowance for doubtful accounts based on management's assessment of the collectability of specific student accounts and the aging of the accounts receivable. All accounts, or portions thereof, deemed to be uncollectible or to require an excess collection cost are written off to the allowance for doubtful accounts.

Inventory

Inventory consisting of bookstore items is stated at the lower of cost or market with cost being determined on a first in, first out basis.

Capital Assets

Capital assets, including land, buildings, improvements, infrastructure, and equipment assets, are reported in the business-type activities. Capital assets are defined by the College as assets with an initial, individual cost of more than \$5,000 and an initial useful life of one year or greater. Such assets are recorded at historical cost if purchased or constructed. Donated capital assets are recorded at estimated fair value at the date of donation.

The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend the life of the asset are not capitalized.

Major outlays for capital assets and improvements are capitalized as projects are constructed.

Interest incurred during the construction phase of capital assets is included as part of the capitalized value of the assets constructed less interest income earned on debt proceeds. No interest was capitalized in the current year.

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Buildings, improvements, infrastructure and equipment assets are depreciated using the modified half-month depreciation method, (straight line depreciation with a half-month depreciation if placed in service before the middle of the month, otherwise no depreciation until the next full month) over the following estimated useful lives:

<u>Assets</u>	<u>Years</u>
Buildings	40
Land improvements	20-25
Equipment	5-7
Vehicles	6

Unearned Revenue

Unearned revenue consists of future revenue received from early enrollment payments for the fall semester as well as unearned grant revenue. Revenue will be recognized as income when earned.

Compensated Absences

Employees earn vacation, personal, and sick leave during the year using a formula based on the employee's classification, hours worked, and years of service. Unpaid vacation, personal, and sick leave are classified in the accompanying statements of net position as a component of accrued wages payable.

Deferred Outflows/Inflows of Resources

In addition to assets, the statement of financial position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, deferred outflows of resources, represents a consumption of net position that applies to a future period(s) and so will not be recognized as an outflow of resources (expense) until then. Currently, the College has one item that qualifies for reporting in this category, deferred amounts relating to employer contributions to the retirement plan.

In addition to liabilities, the statement of financial position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, deferred inflows of resources, represents an acquisition of net position that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time. The College has two types of items that qualifies for reporting in this category, deferred pension inflows relating to the retirement plan and postemployment benefit plan. These amounts are recognized as an inflow of resources in the period that the amounts become available.

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Postemployment Health Care Benefits

Retiree Benefits – The College offers postemployment health care benefits to all employees who retire from the College. Retirees are eligible as long as they receive retirement benefits under the Public School Retirement System. Retirees pay 100% of their own premiums.

COBRA Benefits – Under the Consolidated Omnibus Budget Reconciliation Act (COBRA), the College makes health care benefits available to eligible former employees and their eligible dependents. Certain requirements are outlined by the federal government for this coverage. The premium is paid in full by the insured each month. This program is offered for a duration of 18 months after the employee’s termination date. There is no associated cost to the College under this program.

Classification of Revenues

The College has classified its revenues as either operating or nonoperating revenues according to the following criteria:

Operating Revenues – Operating revenues include activities that have the characteristics of exchange transactions, such as student tuition and fees; sales and services of auxiliary enterprises; most federal, state, and local grants and contracts and federal appropriations; and interest on student loans. Revenue from operating sources is recognized when earned.

Nonoperating Revenues – Nonoperating revenues include activities that have the characteristics of nonexchange transactions, such as gifts and contributions, property tax revenue, and other revenue sources that are defined as nonoperating revenues by GASB No. 9, *Reporting Cash Flows of Proprietary and Nonexpendable Trust Funds and Government Entities That Use Proprietary Fund Accounting*, and GASB No. 34, such as state appropriations and investment income.

Scholarship Allowance

Student tuition and fee revenue are presented net of financial assistance and scholarships applied to student accounts.

Property Tax Revenue Recognition

Property taxes attach as an enforceable lien on property as of January 1. Taxes are levied on November 1 and are due and payable at that time. All unpaid taxes levied November 1 become delinquent after December 31 of that year.

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Income Tax Status

The College is exempt from income tax as a local governmental unit. The Facilities Corporation and the Foundation have qualified for exemption from income tax under Section 501(c)(3) of the Internal Revenue Code.

NOTE B – CASH, CASH EQUIVALENTS, AND INVESTMENTS

Cash

Custodial Credit Risk

Custodial credit rate risk is the risk that, in event of a bank failure, the College will not be able to recover the value of its deposits that are in possession of an outside party. State statutes and Board policy require that the College's deposit with financial institutions in excess of any insurance limit must be 100% collateralized in the name of the College by the trust department of a bank that does not hold the collateralized deposits. At June 30, 2018, the College and Foundation balances on deposit totaled \$8,587,539 and \$307,677, respectively. These balances include cash and certificates of deposit that are maintained at financial institutions. At June 30, 2018, none of the deposits in financial institutions were exposed to custodial credit risk.

Concentration of Credit Risk

The College places no limit on the amount the College may deposit at any one institution. More than 5% of the College's total balances on deposit at June 30, 2018, are in the following institutions:

- Equity Bank – \$5,773,023
- Farmers Bank of Lincoln – \$1,321,618
- Commerce Bank – \$1,470,00

STATE FAIR COMMUNITY COLLEGE
 NOTES TO FINANCIAL STATEMENTS
 June 30, 2018

NOTE B – CASH, CASH EQUIVALENTS, AND INVESTMENTS (continued)

Investments

Interest Rate Risk and Credit Risk

State statutes permits public colleges to invest in obligations of the State of Missouri or U.S. Government and obligations of government agencies. The College’s formal investment policy limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates. By Board policy, the College may invest in Certificates of Deposit, U.S. Treasury Bills, and other obligations of the U.S. Government, U.S. Government Agency, or a corporation guaranteed by the full faith and credit of the U.S. Government.

The Foundation does not have a formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates. Nor does it have a formal investment policy that would limit its investment choices. The Foundation’s investment objectives would be conservative to moderate with a return objective of current income and capital appreciation.

Concentration of Credit Risk

The Foundation places no limit on the amount that may be invested in any one issuer.

The College categorizes its investments within the fair value hierarchy as discussed in Note A. As of June 30, 2018, the College had the following recurring fair value measurements:

Investment	Maturity Dates	Not Subject to Fair Value	Fair Value Level 1	Fair Value Level 2	Total
<i>College</i>					
Certificates of Deposit	7/10/2018 - 10/10/2020	\$ 2,791,618	\$ -	\$ -	\$ 2,791,618
<i>Foundation</i>					
U.S. Treasury Bonds	5/15/2021	-	-	46,050	46,050
Equity Funds	N/A	-	6,620,295	-	6,620,295
Fixed Income Funds	N/A	-	2,911,634	-	2,911,634
Alternatives	N/A	754,447	-	-	754,447
U.S. Corporate Bonds	2/1/2029	-	-	10,889	10,889
		754,447	9,531,929	56,939	10,343,315
		\$ 3,546,065	\$ 9,531,929	\$ 56,939	\$13,134,933

NOTE B – CASH, CASH EQUIVALENTS, AND INVESTMENTS (continued)

Certificates of Deposit

All certificates of deposit are at various financial institutions and are fully collateralized in the name of the College.

U.S. Treasury Bonds

Foundation funds in U.S. Treasury Bonds are held by Central Investment Advisors and are rated Aaa by Moody's.

Equity Funds

The Foundation has \$6,620,295 invested in equity funds at Central Trust Company. The equity fund portfolio is comprised of emerging market funds, hedged equity, international developed, mid and small capital funds, and the largest percentage invested in large capital funds. The fund is not rated.

Fixed Income Securities

The Foundation has \$2,911,634 invested in fixed income securities at Central Trust Company. The fixed income securities are comprised of floating rate debt, high yield debt, inflation protected debt, and investment grade debt. These funds are not rated.

Alternatives

The Foundation has \$754,447 invested in alternatives at Central Trust Company. The alternatives are comprised of flexible and strategic income funds which are not rated.

U.S. Corporate Bonds

The Foundation has securities in U.S. corporate bonds on deposit with Edward Jones which were rated Baa2 by Moody's.

STATE FAIR COMMUNITY COLLEGE
 NOTES TO FINANCIAL STATEMENTS
 June 30, 2018

NOTE C – ACCOUNTS RECEIVABLE

Accounts Receivable

Student and other accounts receivable are presented net of allowances for uncollectible accounts and net of discount on pledges receivable. As of June 30, 2018, these amounts were as follows:

	College	Facilities Corporation	Foundation	Eliminations	Total
Accounts receivable	\$ 5,379,574	\$ -	\$ 99,612	\$ (19,854)	\$ 5,459,332
Allowance	(3,027,277)	-	(6,175)	-	(3,033,452)
Discount on pledges receivable	-	-	(1,373)	-	(1,373)
Net accounts receivable	<u>\$ 2,352,297</u>	<u>\$ -</u>	<u>\$ 92,064</u>	<u>\$ (19,854)</u>	<u>\$ 2,424,507</u>

Property Tax Receivable

Property taxes receivable are presented net of allowances for uncollectible accounts. As of June 30, 2018, these amounts were as follows:

Property tax receivable	College \$ 60,635
Allowance	(26,416)
Net property tax receivable	<u>\$ 34,219</u>

NOTE D – TAXES

Property taxes attach as an enforceable lien on property as of January 1. Taxes are levied on November 1 and payable by December 31. The counties collect the property tax and remit it to the College.

The assessed valuation of the tangible taxable property for calendar year 2017 for purposes of local taxation was:

Real estate	\$ 624,215,746
Personal property	212,862,382
TOTAL ASSESSED VALUATION	<u>\$ 837,078,128</u>

STATE FAIR COMMUNITY COLLEGE
 NOTES TO FINANCIAL STATEMENTS
 June 30, 2018

NOTE D – TAXES (continued)

The tax levy per \$100 of the assessed valuation of tangible taxable property for the calendar year 2017 for purposes of local taxation was:

General Fund	\$.4113
	<u> </u>
TOTAL LEVY	<u><u>\$.4113</u></u>

Article VI, Section 26(b), Constitution of Missouri, limits the outstanding amount of authorized general obligation bonds of a community college district to 5 percent of the assessed valuation of the community college district. The legal debt margin of the community college district at June 30, 2018, was:

Constitutional debt limit	\$ 41,853,906
General obligation bonds payable	-
Amount available to service debt	<u> </u>
LEGAL DEBT MARGIN	<u><u>\$ 41,853,906</u></u>

NOTE E – INTEREST CAPITALIZATION

Interest expense that relates to the cost of acquiring or constructing fixed assets in the College is capitalized. Interest expense incurred in connection with construction of capital assets is reduced by interest earned on the investment of funds borrowed for construction in accordance with Governmental Accounting Standards Board (GASB) Statement Section 1400-120-137 - *Capitalization of Interest Costs*. There was no interest capitalized during the current fiscal year.

STATE FAIR COMMUNITY COLLEGE
NOTES TO FINANCIAL STATEMENTS
June 30, 2018

NOTE F – PROPERTY AND EQUIPMENT

The properties of the College consisted of the following categories at June 30, 2018:

	Balance June 30, 2017	Additions	Retirements	Balance June 30, 2018
Non-depreciable capital assets				
Land	\$ 1,794,745	\$ -	\$ -	\$ 1,794,745
Artwork	8,879,070	495,349	-	9,374,419

Capital Assets, net	<u>\$ 30,619,592</u>			<u>\$ 39,491,662</u>

The College has elected to capitalize its collection of library books, artwork and historical treasures. This collection adheres to the College's policy to (a) maintain them for public exhibition, education or research; (b) protect, keep unencumbered, care for, and preserve them; and (c) require proceeds from their sale to be used to acquire other collection items. Collections that are inexhaustible and meeting this criteria need not be depreciated under generally accepted accounting principles. Accordingly, the College has not taken depreciation on these collections.

The property and equipment of the Facilities Corporation consisted of the following at June 30, 2018:

	Balance June 30, 2017	Additions	Retirements	Balance June 30, 2018
Depreciable capital assets				
Buildings and improvements	\$ 12,873,125	\$ -	\$ 12,873,125	\$ -
Less accumulated depreciation	3,322,159	\$ 214,552	\$ 3,536,711	-

STATE FAIR COMMUNITY COLLEGE
 NOTES TO FINANCIAL STATEMENTS
 June 30, 2018

NOTE G – ACCRUED LIABILITIES

At June 30, 2018, accrued liabilities consisted of accrued payroll and benefits, accrued vacation payable, and retirement payable.

NOTE H – LONG-TERM DEBT

Capital Leases

On October 26, 2011, the College entered into a lease purchase agreement to finance an energy savings project. The agreement requires annual lease payments of \$459,974, which includes interest at 3%.

On August 22, 2017, the College entered into a lease purchase agreement with Hewlett-Packard Financial Services Company to finance computer and network equipment. The agreement requires quarterly lease payments of \$47,276, which includes interest at 3.5%

The lease purchase agreements provides for cancellation of the leases on the annual renewal date if the College should fail to appropriate funds. However, the College does not foresee exercising its right to cancel. Therefore, the leases are accounted for as noncancellable capital leases in accordance with GASB Section L20 – *Leases*.

The total annual minimum lease payments required at June 30, 2018, are as follows:

Year Ended June 30,	Energy Efficiency Project	Equipment Lease
2019	\$ 459,974	\$ 189,106
2020	459,974	189,106
2021	459,974	189,106

NOTE H – LONG-TERM DEBT (continued)

Loan Obligation

On December 15, 2011, the College entered into a loan agreement with the Department of Economic Development – Division of Energy in the amount of \$1,035,950 to finance an energy efficiency project. The agreement requires semi-annual payments of \$57,669, which includes interest at 2%.

Principal and interest payments are due as follows:

Year Ended June 30,	Principal	Interest	Total
2019	\$ 105,225	\$ 10,112	\$ 115,337
2020	107,340	7,997	115,337
2021	109,498	5,839	115,337
2022	111,698	3,639	115,337
2023	98,013	1,393	99,406
	<u>\$ 531,774</u>	<u>\$ 28,980</u>	<u>\$ 560,754</u>

Certificates of Participation

On October 12, 2017, the College entered into an agreement with UMB Bank, N.A. to issue Refunding Certificates of Participation, Series 2017, in the aggregate stated principal amount of \$5,175,000 with interest rates at 3.0%. The College issued the Certificates to current refund the Series 2007 Certificates of the Facilities Corporation. Principal payments are due annually on June 15 with interest payments due semi-annually on December 15 and June 15 each year.

STATE FAIR COMMUNITY COLLEGE
NOTES TO FINANCIAL STATEMENTS
June 30, 2018

NOTE H – LONG-TERM DEBT (continued)

The annual debt service requirements on the Series 2017 Certificates of Participation outstanding at June 30, 2018 are as follows:

Year Ended June 30,	Principal	Interest	Total
2019	\$ 455,000	\$ 148,425	\$ 603,425
2020	465,000	134,625	599,625

NOTE I – RETIREMENT PLAN

Summary of Significant Accounting Policies

Financial reporting information pertaining to the College's participation in the Public School Retirement System of Missouri and the Public Education Employee Retirement System of Missouri (PSRS and PEERS, also referred to as the Systems) is prepared in accordance with Governmental Accounting Standards Board (GASB) Statement No. 68, *Accounting and Financial Reporting for Pensions*, as amended by GASB Statement No. 71, *Pension Transition for Contributions Made Subsequent to the Measurement Date*, by GASB Statement No. 73, *Accounting and Financial Reporting for Pensions and Related Assets That Are Not within the Scope of GASB Statement 68, and Amendments to Certain Provisions of GASB Statements 67 and 68*, and by GASB Statement No. 82, *Pension Issues*.

The fiduciary net position, as well as additions to and deductions from the fiduciary net position, of PSRS and PEERS have been determined on the same basis as they are reported by the Systems. The financial statements were prepared using the accrual basis of accounting. Member and employer contributions are recognized when due, pursuant to formal commitments and statutory requirements. Benefits and refunds of employee contributions are recognized when due and payable in accordance with the statutes governing the Systems. Expenses are recognized when the liability is incurred, regardless of when payment is made. Investments are reported at fair value. The fiduciary net position is reflected in the measurement of the College's net pension liability, deferred outflows and inflows of resources related to pensions and pension expense. A Comprehensive Annual Financial Report ("CAFR") can be obtained at www.psr-peers.org.

General Information about the Pension Plan

Plan Description. PSRS is a mandatory cost-sharing multiple employer retirement system for all full-time certificated employees and certain part-time certificated employees of all public school districts in Missouri (except the school districts of St. Louis and Kansas City) and all public community colleges. PSRS also includes certificated employees of PSRS, Missouri State Teachers' Association, Missouri State High School Activities Association, and certain employees of the State of Missouri who elected to remain covered by PSRS under legislation enacted in 1986, 1987 and 1989. The majority of PSRS members are exempt from Social Security contributions. In some instances, positions may be determined not to be exempt from Social Security contributions. Any PSRS member who is required to contribute to Social Security comes under the requirements of Sections 169.070 (9) RSMo, known as the "2/3's statute." PSRS members required to contribute to Social Security are required to contribute two-thirds of the approved PSRS contribution rate and their employer is required to match the contribution. The members' benefits are further calculated at two-thirds the normal benefit amount.

NOTE I – RETIREMENT PLAN (continued)

PEERS is a mandatory cost-sharing multiple employer retirement system for all public school district employees (except the school districts of St. Louis and Kansas City), employees of the Missouri Association of School Administrators, and community college employees (except the Community College of St. Louis). Employees of covered districts who work 20 or more hours per week on a regular basis and who are not contributing members of the Public School Retirement System of Missouri (PSRS) must contribute to PEERS. Employees of PSRS who do not hold Missouri educator certificates also contribute to PEERS. PEERS was established as a trust fund by an Act of the Missouri General Assembly effective October 13, 1965. Statutes governing the System are found in Sections 169.600 - 169.715 and Sections 169.560 - 169.595 RSMo. The statutes place responsibility for the operation of PEERS on the Board of Trustees of the Public School Retirement System of Missouri.

Benefits Provided. PSRS is a defined benefit plan providing retirement, disability, and death/survivor benefits. Members are vested for service retirement benefits after accruing five years of service. Individuals who (a) are at least age 60 and have a minimum of five years of service, (b) have 30 years of service, or (c) qualify for benefits under the “Rule of 80” (service and age total at least 80) are entitled to a monthly benefit for life, which is calculated using a 2.5% benefit factor. Beginning July 1, 2001, and ending July 1, 2014, a 2.55% benefit factor is used to calculate benefits for members who have 31 or more years of service. Actuarially age-reduced benefits are available for members with five to 24.9 years of service at age 55. Members who are younger than age 55 and who do not qualify under the “Rule of 80” but have between 25 and 29.9 years of service may retire with a lesser benefit factor. Members that are three years beyond normal retirement can elect to have their lifetime monthly benefits actuarially reduced in exchange for the right to also receive a one-time partial lump sum (PLSO) payment at retirement equal to 12, 24, or 36 times the Single Life benefit amount.

PEERS is a defined benefit plan providing service retirement and disability benefits to its members. Members are vested for service retirement benefits after accruing five years of service. Individuals who (a) are at least age 60 and have a minimum of five years of service, (b) have 30 years of service, or (c) qualify for benefits under the “Rule of 80” (service and age total at least 80) are entitled to a monthly benefit for life, which is calculated using a 1.61% benefit factor. Members qualifying for “Rule of 80” or “30-and-out” are entitled to an additional temporary .8% benefit multiplier until reaching minimum Social Security age (currently age 62). Actuarially age-reduced retirement benefits are available with five years of service at age 55. Members who are younger than age 55 and who do not qualify under the “Rule of 80” but have between 25 and 29.9 years of service may retire with a lesser benefit factor. Members that are three years beyond normal retirement can elect to have their lifetime monthly benefits actuarially reduced in exchange for the right to also receive a one-time partial lump sum (PLSO) payment at retirement equal to 12, 24, or 36 times the Single Life benefit amount.

Summary Plan descriptions detailing the provisions of the plans can be found on the Systems’ website at www.psr-peers.org.

NOTE I – RETIREMENT PLAN (continued)

Cost-of-Living Adjustments (“COLA”). The Board of Trustees has established a policy of providing a 0.00% COLA for years in which the CPI increases between 0.00% and 2.00%, a 2.00% COLA for years in which CPI increases between 2.00% and 5.00%, and a COLA of 5.00% if the CPI increase is greater than 5.00%. If the CPI decreases, no COLA is provided. For any PSRS member retiring on or after July 1, 2001, such adjustments commence on the second January after commencement of benefits and occur annually thereafter. For PEERS members, such adjustments commence on the fourth January after commencement of benefits and occur annually thereafter. The total of such increases may not exceed 80% of the original benefit for any member.

Contributions. PSRS members were required to contribute 14.5% of their annual covered salary during fiscal years 2016, 2017 and 2018. Employers were required to match the contributions made by employees. The contribution rate is set each year by the PSRS Board of Trustees upon the recommendation of the independent actuary within the contribution restrictions set in Section 169.030 RSMo. The annual statutory increase in the total contribution rate may not exceed 1% of pay.

PEERS members were required to contribute 6.86% of their annual covered salary during fiscal years 2016, 2017 and 2018. Employers were required to match the contributions made by employees. The contribution rate is set each year by the PSRS Board of Trustees upon the recommendation of the independent actuary within the contribution restrictions set in Section 169.030 RSMo. The annual statutory increase in the total contribution rate may not exceed 0.5% of pay.

The College’s contributions to PSRS and PEERS were \$1,722,163 and \$181,685, respectively, for the year ended June 30, 2018.

Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

At June 30, 2018, the College recorded a liability of \$17,374,990 for its proportionate share of PSRS’ net pension liability and \$1,200,885 for its proportionate share of PEERS’ net pension liability. In total the College recorded net pension liabilities of \$18,575,875. The net pension liability for the plans in total was measured as of June 30, 2017, and determined by an actuarial valuation as of that date. The College’s proportionate share of the total net pension liability was based on the ratio of its actual contributions paid to PSRS and PEERS of \$1,646,215 and \$173,567, respectively, for the year ended June 30, 2017, relative to the actual contributions of \$684,085,861 for PSRS and \$110,244,418 for PEERS from all participating employers. At June 30, 2017, the College’s proportionate share was 0.2406% for PSRS and 0.1574% for PEERS.

For the year ended June 30, 2018, the College recognized pension expense of \$2,246,471 for PSRS and \$237,819 for PEERS, its proportionate share of the total pension expense.

STATE FAIR COMMUNITY COLLEGE
NOTES TO FINANCIAL STATEMENTS
June 30, 2018

NOTE I – RETIREMENT PLAN (continued)

At June 30, 2018, the College reported deferred outflows of resources and deferred inflows of resources from the following sources related to PSRS and PEERS pension benefits:

	PSRS		PEERS		Total	
	Deferred Outflows of Resources	Deferred Inflows of Resources	Deferred Outflows of Resources	Deferred Inflows of Resources	Deferred Outflows of Resources	Deferred Inflows of Resources
Balance of Deferred Outflows and Inflows Due to:						
- Differences between expected and actual experience	\$ 1,032,045	\$ 1,106,301	\$ 19,148	\$ 48,648	\$ 1,051,193	\$ 1,154,949
- Changes of assumptions	2,741,478	-	206,746	-	2,948,224	-
- Net difference between projected and actual earnings on pension plan investments	4,410,424	4,050,996	333,026	307,187	4,743,450	4,358,183
- Changes in proportion and differences between employer contributions and proportionate share of contributions	1,428,980	337,358	37,279	100,385	1,466,259	437,743
- Employer contributions subsequent to the measurement date	1,722,163	-	181,685	-	1,903,848	-
Total	<u>\$ 11,335,090</u>	<u>\$ 5,494,655</u>	<u>\$ 777,884</u>	<u>\$ 456,220</u>	<u>\$ 12,112,974</u>	<u>\$ 5,950,875</u>

Amounts reported as deferred outflows of resources resulting from contribution subsequent to the measurement date of June 30, 2017, will be recognized as a reduction to the net pension liability in the year ended June 30, 2019. Other amounts reported as collective deferred (inflows) / outflows of resources are to be recognized in pension expense as follows:

Year Ending June 30,	PSRS	PEERS	Total
2019	\$ 685,633	\$ 54,821	\$ 740,454
2020	1,872,419	102,889	1,975,308
2021	1,124,358	37,669	1,162,027
2022	(199,939)	(55,400)	(255,339)
2023	549,174	-	549,174
Thereafter	86,627	-	86,627
	<u>\$ 4,118,272</u>	<u>\$ 139,979</u>	<u>\$ 4,258,251</u>

NOTE I – RETIREMENT PLAN (continued)

Actuarial Assumptions

Actuarial valuations of the Systems involve assumptions about probability of occurrence of events far into the future. Examples include assumptions about future employment, salary increases, and mortality. Amounts determined regarding the net pension liability are subject to continual revision as actual results are compared with past expectations and new estimates are made about the future. The Board of Trustees adopts actuarial assumptions, each of which individually represents a reasonable long-term estimate of anticipated experience for the Systems, derived from experience studies conducted every fifth year and from Board policies concerning investments and COLAs. The most recent comprehensive experience studies were completed in June 2016. All economic and demographic assumptions were reviewed and updated, where appropriate, based on the results of the study and effective with the June 30, 2016 valuation. For the June 30, 2017, valuations, the investment rate of return was reduced from 7.75% to 7.6% and the assumption for the annual cost-of-living adjustments was updated in accordance with the funding policies amended by the Board of Trustees at their November 2017 meeting. Significant actuarial assumption and methods, including changes from the prior year resulting from changes in Board policy, are detailed below. For additional information please refer to the Systems' Comprehensive Annual Financial Report (CAFR). The next experience studies are scheduled for 2021.

Significant actuarial assumptions and other inputs used to measure the total pension liability:

- Measurement Date – June 30, 2017
- Valuation Date – June 30, 2017
- Expected Return on Investments – 7.60%, net of investment expenses and including 2.5% inflation
- Inflation – 2.25%
- Total Payroll Growth
 - PSRS – 2.75% per annum, consisting of 2.25% inflation, 0.25% real wage growth due to the inclusion of active health care costs in pensionable earnings, and 0.25% of real wage growth due to productivity.
 - PEERS – 3.25% per annum, consisting of 2.25% inflation, 0.50% real wage growth due to the inclusion of health care costs in pensionable earnings, and 0.50% of real wage growth due to productivity.
- Future Salary Increases
 - PSRS – 3.00% - 9.50%, depending on service and including 2.25% inflation, 0.25% real wage growth due to the inclusion of active health care costs in pensionable earnings, and 0.25% of real wage growth due to productivity.
 - PEERS – 4.00% - 11.00%, depending on service and including 2.25% inflation, 0.50% real wage growth due to the inclusion of active health care costs in pensionable earnings, and 0.50% of real wage growth due to productivity.

NOTE I – RETIREMENT PLAN (continued)

- Cost-Of-Living Increases
 - PSRS & PEERS – The annual COLA assumed in the valuation increases from 1.20% to 1.65% over nine years, beginning January 1, 2019. The COLA reflected for January 1, 2018, is 1.63%, in accordance with the actual COLA approved by the Board. This COLA assumption reflects an assumption that general inflation will increase from 1.80% to a normative inflation assumption of 2.25% over nine years. It is also based on the current policy of the Board to grant a 0% COLA on each January 1 for years in which CPI increases between 0.00% and 2.00%, a 2.00% COLA for years in which the CPI increases between 2.00% and 5.00%, and a COLA of 5.00% if the CPI increase is greater than 5.00%. If the CPI decreases, no COLA is provided. The COLA applies to service retirements and beneficiary annuities. The COLA does not apply to the benefits for in-service death payable to spouses (where the spouse is over age 60), and does not apply to the spouse with children pre-retirement death benefit, the dependent children pre-retirement death benefit, or the dependent parent death benefit. The total lifetime COLA cannot exceed 80% of the original benefit. PSRS members receive a COLA on the second January after retirement, while PEERS members receive a COLA on the fourth January after retirement.
- Mortality Assumption
 - *Actives*
 - PSRS – RP-2006 White Collar Employee Mortality Table, multiplied by an adjustment factor of 0.75 at all ages for both males and females, with static projection using the 2014 SSA Improvement Scale to 2028.
 - PEERS – RP-2006 Total Dataset Employee Mortality Table, multiplied by an adjustment factor of 0.75 at all ages for both males and females, with static projection using the 2014 SSA Improvement Scale to 2028.
 - *Non-Disabled Retirees, Beneficiaries and Survivors*
 - PSRS – RP-2006 White Collar Mortality Table with plan-specific experience adjustments and static projection to 2028 using the 2014 SSA Improvement Scale.
 - PEERS – RP-2006 Total Dataset Mortality Table with plan-specific experience adjustments and static projection to 2028 using the 2014 SSA Improvement Scale.
 - *Disabled Retirees*
 - RP-2006 Disabled Retiree Mortality Tables with static projection to 2028 using the 2014 SSA Improvement Scale.

NOTE I – RETIREMENT PLAN (continued)

- Changes in Actuarial Assumptions and Methods – The investment return and COLA assumptions were updated by the Board as follows based on changes to the Board’s funding policy adopted at the November 3, 2017 meeting:
 - The investment return assumption was lowered from 7.75% to 7.60% per year.
 - The Board adopted a new COLA policy on November 3, 2017 resulting in a change to the future COLA assumption from an increasing assumption of 1.05%-1.50% over nine years to an increasing assumption of 1.20%-1.65% over nine years, beginning January 1, 2019.
- Fiduciary Net Position – The Systems issue a publicly available financial report that can be obtained at www.psr-s-peers.org.
- Expected Rate of Return – The long-term expected rate of return on investments was determined in accordance with Actuarial Standard of Practice (ASOP) No. 27, *Selection of Economic Assumptions for Measuring Pension Obligations*. ASOP No. 27 provides guidance on the selection of an appropriate assumed rate of return. The long-term expected rate of return on the Systems’ investments was determined using a building-block method in which best-estimate ranges of expected future real rates of returns (expected returns, net of investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. Best estimates of arithmetic real rates of return for each major asset class included in the Systems’ target allocation as of June 30, 2016 are summarized below along with the long term geometric return. Geometric return (also referred to as the time weighted return) is considered standard practice within the investment management industry. Geometric returns represent the compounded rate of growth of a portfolio. The method eliminates the effects created by cashflows.

NOTE I – RETIREMENT PLAN (continued)

Asset Class	Target Asset Allocation	Long-Term Expected Real Return Arithmetic Basis	Weighted Long-Term Expected Real Return Arithmetic Basis
U.S. Public Equity	27.0%	5.16%	1.39%
Public Credit	7.0%	2.17%	0.15%
Hedged Assets	6.0%	4.42%	0.27%
Non-U.S. Public Equity	15.0%	6.01%	0.90%
U.S. Treasuries	16.0%	0.96%	0.15%
U.S. TIPS	4.0%	0.80%	0.03%
Private Credit	4.0%	5.60%	0.22%
Private Equity	12.0%	9.86%	1.18%
Private Real Estate	9.0%	3.56%	0.32%
Total	100.0%		4.61%
		Inflation	2.25%
		Long-term arithmetical nominal return	6.86%
		Effect of covariance matrix	0.74%
		Long-term expected geometric return	7.60%

- Discount Rate – The long-term expected rate of return used to measure the total pension liability was 7.60% as of June 30, 2017, and is consistent with the long-term expected geometric return on plan investments. The actuarial assumed rate of return was 8.0% from 1980 through fiscal year 2016. The Board of Trustees adopted a new actuarial assumed rate of return of 7.75% effective with the June 30, 2016, valuation based on the actuarial experience studies and asset-liability study conducted during the 2016 fiscal year. As previously discussed, the Board of Trustees further reduced the assumed rate of return to 7.6% effective with the June 30, 2017, valuation. The projection of cash flows used to determine the discount rate assumed that employer contributions would be made at the actuarially calculated rate computed in accordance with assumptions and methods stated in the funding policy adopted by the Board of Trustees, which requires payment of the normal cost and amortization of the unfunded actuarially accrued liability in level percent of employee payroll installments over 30 years utilizing a closed period, layered approach. Based on this assumption, the pension plan’s fiduciary net position was projected to be available to make all projected future benefit payments of current plan members.
- Discount Rate Sensitivity – The sensitivity of the College’s net pension liability to changes in the discount rate is presented below. The College’s net pension liabilities calculated using the discount rate of 7.60% is presented as well as the net pension liabilities using a discount rate that is 1.0% lower (6.60%) or 1.0% higher (8.60%) than the current rate.

STATE FAIR COMMUNITY COLLEGE
 NOTES TO FINANCIAL STATEMENTS
 June 30, 2018

NOTE I – RETIREMENT PLAN (continued)

Discount Rate	1% Decrease (6.60%)	Current Rate (7.60%)	1% Increase (8.60%)
PSRS Proportionate share of the Net Pension Liability	\$ 30,858,945	\$ 17,374,990	\$ 6,164,927
PEERS Proportionate share of the Net Pension Liability	\$ 2,212,179	\$ 1,200,885	\$ 352,620

At June 30, 2018, the College reported a payable of \$52,916 and \$14,773 for the outstanding amount of PSRS and PEERS contributions, respectively, to the pension plan required for the year ended June 30, 2018.

NOTE J – POSTEMPLOYMENT BENEFITS OTHER THAN PENSIONS (OPEB)

General Information about the OPEB Plan

Plan Description. The College’s health benefit plan (defined benefit OPEB plan) is administered by the College. The College does not pre-fund benefits. The current funding policy is to pay benefits directly from general assets on a pay-as-you-go basis and there is not a trust for accumulating plan assets. Eligible participants are employees who are eligible for normal or early retirement under PSRS or PEERS. Normal retirement age is the earlier of age 60 with 5 years of service, age plus service equal to 80 points (“Rule of 80”), or any age with 30 years of service. Early retirement is age 55 with 5 years of service. Retirees may cover spouses and eligible dependent children. Surviving spouses can continue coverage after retiree’s death.

Benefits Provided. – The College’s OPEB plan provides medical, including prescription drugs, and dental insurance coverage for eligible retirees and their dependents. Retirees can continue coverage past Medicare eligibility age (age 65).

Employees covered by benefit terms. – At June 30, 2018, the following employees were covered by the benefit terms:

Active employees	232
Retirees and surviving spouses	66
Spouses of current retirees	11
	<u>309</u>

NOTE J – POSTEMPLOYMENT BENEFITS OTHER THAN PENSIONS (OPEB) (continued)

Total OPEB Liability

The College’s total OPEB liability of \$2,740,231 was measured as of June 30, 2018, and was determined by an actuarial valuation as of that date, calculated based on the discount rate and actuarial assumptions below.

Actuarial Assumptions and other inputs - The total OPEB liability in the June 30, 2018 actuarial valuation was determined using the following actuarial assumptions and other inputs, applied to all periods included in the measurement, unless otherwise specified:

- Actuarial Cost Method – Entry Age Normal
- Inflation – 2.30%
- Salary Increases – 3.00% per annum
- Discount Rate – 3.87% per annum based on the 20 year bond GO index at June 30, 2018.
- Healthcare Cost Trend Rates – Medical cost trend rate of 5.8% for 2018, gradually decreasing to an ultimate rate of 4.1% for 2074 and beyond. Healthcare trends were generated by the Getzen Model.
- Retirement – 50% of employees who retire prior to age 65 are assumed to elect medical coverage under the plan.
- Mortality – RP-2014 Mortality Table for Employees and Healthy Annuitants, projected generationally using Scale MP-2017.

Changes in the Total OPEB Liability

	Total OPEB Liability
Balance at June 30, 2017	\$ (2,716,598)
Changes for the year:	
Service cost	(133,792)
Interest on total OPEB liability	(100,009)
Effect of assumptions changes or inputs	95,476
Benefit payments	114,692
Balance at June 30, 2018	<u>\$ (2,740,231)</u>

NOTE J – POSTEMPLOYMENT BENEFITS OTHER THAN PENSIONS (OPEB) (continued)

Sensitivity Analysis

The following presents the total OPEB liability of the College, calculated using the discount rate of 3.87%, as well as what the College’s total OPEB liability would be if it were calculated using a discount rate that is one (1) percentage point lower (2.87%) or one (1) percentage point higher (4.87%) than the current rate.

	<u>1% Decrease (2.87%)</u>	<u>Current Rate (3.87%)</u>	<u>1% Increase (4.87%)</u>
Total OPEB Liability	\$ 3,092,355	\$ 2,740,231	\$ 2,446,715

The following presents the total OPEB liability of the College, calculated using the current healthcare cost trend rates, as well as what the College’s total OPEB liability would be if it were calculated using a healthcare cost trend rate that is one (1) percentage point lower or one (1) percentage point higher than the current trend rates.

	<u>1% Decrease</u>	<u>Current Trend Rate</u>	<u>1% Increase</u>

OPEB Expense and Deferred Outflows of Resources and Deferred Inflows of Resources Related to OPEB

For the year ended June 30, 2018, the College recognized OPEB expense of \$222,086.

At June 30, 2018, the College reported deferred outflows of resources and deferred inflows of resources related to OPEB from the following sources:

	<u>Deferred Outflows of Resources</u>	<u>Deferred Inflows of Resources</u>
Differences between expected and actual experience	\$ -	\$ -
Changes of assumptions	-	(83,761)
Total	<u>\$ -</u>	<u>\$ (83,761)</u>

STATE FAIR COMMUNITY COLLEGE
 NOTES TO FINANCIAL STATEMENTS
 June 30, 2018

NOTE J – POSTEMPLOYMENT BENEFITS OTHER THAN PENSIONS (OPEB) (continued)

Amounts currently reported as deferred outflows of resources and deferred inflows of resources related to OPEB are to be recognized in OPEB expense as follows:

Year Ending June 30,	
2019	\$ (11,715)
2020	(11,715)
2021	(11,715)
2022	(11,715)
2023	(11,715)
Thereafter	(25,186)
	<u>\$ (83,761)</u>

NOTE K – CLAIMS AND ADJUSTMENTS

The College participates in a number of federal and state programs that are fully or partially funded by grants received from other governmental units. Expenditures financed by grants are subject to audit by the appropriate grantor government. If expenditures are disallowed due to noncompliance with grant program regulation, the College may be required to reimburse the grantor government. As of June 30, 2018, the College was in the process of a Title IV review from the Department of Education. On September 27, 2018, the College received correspondence from the Department of Education that identified a liability of \$393,740. As of the date of this report, the College has paid this amount in full.

NOTE L – RISK MANAGEMENT

The College is exposed to various risks of losses related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. Since its inception, the College has transferred its risk by obtaining coverage from commercial insurance companies or a public risk entity pool. In addition, it has effectively managed risk through various employee education and prevention programs. There has been no significant reduction in insurance coverage from the previous year.

STATE FAIR COMMUNITY COLLEGE
NOTES TO FINANCIAL STATEMENTS
June 30, 2018

NOTE M – CONCENTRATIONS OF CREDIT RISK

The College grants credit without collateral to its students for tuition and fees.

NOTE N – RESTRICTED NET POSITION

Net position is reported as restricted when there are limitations on their use, either through enabling action adopted by the college or through external restrictions imposed by creditors, grantors, or laws or regulations of other governments. At June 30, 2018, restricted net position consisted of \$15,519,005 of restricted gifts and donations to the Foundation.

NOTE O – OPERATING EXPENSES BY FUNCTIONAL CLASSIFICATION

Operating expenses by functional classification for the year ended June 30, 2018, were as follows:

	College	Building Corporation	Foundation	Eliminations	Combined
Instruction	\$ 13,099,222	\$ -	\$ -	\$ -	\$ 13,099,222
Academic support	4,388,162	-	-	-	4,388,162

	<u>\$ 46,370,785</u>	<u>\$ 214,552</u>	<u>\$ 929,353</u>	<u>\$ -</u>	<u>\$ 47,514,690</u>

STATE FAIR COMMUNITY COLLEGE
NOTES TO FINANCIAL STATEMENTS
June 30, 2018

NOTE P – COMMITMENT

On June 30, 2018, the College had the following commitment:

- On October 9, 2017, the College amended its contract with Ellucian Company, L.P. (“Ellucian”), in which Ellucian serves as a service provider to plan, manage, provide and operate certain information system environments for the College. The agreement is in effect through June 30, 2028 at a base cost of \$1,890,156 per annum with annual CPI adjustments.

NOTE Q – FOUNDATION – INCOME TAXES

The Foundation does not believe there are any material uncertain tax positions and, accordingly it will not recognize any liability for unrecognized tax benefits. For the year ended June 30, 2018, there were no interest or penalties recorded in the financial statements.

The Foundation’s income tax returns are subject to examination by taxing authorities for a period of three years from the date they are filed. As of June 30, 2018, the following tax years are subject to examination:

<u>Jurisdiction</u>	<u>Open Years for Filed Returns</u>	<u>Return to be Filed in 2018</u>
Federal	2014-2016	2017
Missouri	2014-2016	2017

NOTE R – DEBT REFUNDING

On October 12, 2017, the College issued \$5,175,000 in Refunding Certificates of Participation, Series 2017, with interest rates at 3.00%. The College issued the Certificates to advance refund \$5,890,000 of the Building Corporation’s outstanding Certificates of Participation, Series 2007, on December 15, 2017. The refunded Series 2007 Certificates had interest rates ranging from 4.30% to 4.75%.

As a result of the refunding, the College reduced its total debt service requirements by \$1,409,376, which resulted in an economic gain (difference between the present value of the debt service payments on the old and new debt) of \$586,337.

STATE FAIR COMMUNITY COLLEGE
 NOTES TO FINANCIAL STATEMENTS
 June 30, 2018

NOTE S – TRANSFER OF OPERATIONS

On October 12, 2017, the College issued Refunding Certificates of Participation, Series 2017, to current refund the Building Corporation’s Certificates of Participation, Series 2007. As permitted by State statute, when the Certificates were refunded the Building Corporation ceased operations and transferred its assets and equity to the College.

NOTE T – RESTATEMENT

During the year ended June 30, 2018, the College adopted the provisions of GASB Statement No. 75 – *Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions*. Net position has been restated as follows:

	College	Building Corporation	Foundation	Combined
NET POSITION, June 30, 2017	\$ 22,415,660	\$ 4,368,509	\$ 15,335,615	\$ 42,119,784
Post-employment benefit liability	(2,152,798)	-	-	(2,152,798)
NET POSITION, July 1, 2017, as restated	<u>\$ 20,262,862</u>	<u>\$ 4,368,509</u>	<u>\$ 15,335,615</u>	<u>\$ 39,966,986</u>

OTHER REPORTING REQUIREMENTS

**INDEPENDENT AUDITORS' REPORT ON
INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND OTHER MATTERS BASED ON
AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

Board of Trustees
State Fair Community College
Sedalia, Missouri

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the business-type activities of State Fair Community College, as of and for the year ended June 30, 2018, and the related notes to the financial statements, which collectively comprise State Fair Community College's financial statements, and have issued our report thereon, dated December 7, 2018.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered State Fair Community College's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the College's internal control. Accordingly, we do not express an opinion on the effectiveness of the College's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Board of Trustees
State Fair Community College
Sedalia, Missouri

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether State Fair Community College's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of State Fair Community College's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering State Fair Community College's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITORS' REPORT
ON COMPLIANCE FOR EACH MAJOR
PROGRAM AND ON INTERNAL CONTROL OVER
COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE**

Board of Trustees
State Fair Community College
Sedalia, Missouri

Report on Compliance for Each Major Federal Program

We have audited State Fair Community College's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on the College's major federal program for the year ended June 30, 2018. State Fair Community College's major federal program is identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance of State Fair Community College's major federal program based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on the major federal program occurred. An audit includes examining, on a test basis, evidence about the College's compliance with those requirements and performing such other procedures as we consider necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for the major federal program. However, our audit does not provide a legal determination on State Fair Community College's compliance.

Opinion on the Major Federal Program

In our opinion, State Fair Community College complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended June 30, 2018.

Report on Internal Control over Compliance

Management of State Fair Community College is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the College's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the College's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Board of Trustees
State Fair Community College
Sedalia, Missouri

State Fair Community College's response to the internal control over compliance finding identified in our audit is described in the accompanying schedule of findings and questioned costs. State Fair Community College's response was not subjected to the auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

STATE FAIR COMMUNITY COLLEGE
NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
June 30, 2018

NOTE A – BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards (the Schedule) includes the federal award activity of State Fair Community College under programs of the federal government for the year ended June 30, 2018. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of State Fair Community College, it is not intended to and does not present the financial position, changes in net position, or cash flows of State Fair Community College.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Expenditures reported in the Schedule are reported on the accrual basis of accounting, which is described in Note A to the College's basic financial statements. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.
2. Pass-through entity identifying numbers are presented where available.

NOTE C – INDIRECT COST RATE

The College has elected not to use the 10% de minimis indirect cost rate as allowed under the Uniform Guidance.

NOTE D – SUBRECIPIENTS

The College did not provide funds to subrecipients during the current year.

STATE FAIR COMMUNITY COLLEGE
SUMMARY SCHEDULE OF FINDINGS AND QUESTIONED COSTS
Year Ended June 30, 2018

None

STATE FAIR COMMUNITY COLLEGE
SCHEDULE OF PRIOR AUDIT FINDINGS
Year Ended June 30, 2018

2017-001 Eligible Programs

U.S. DEPARTMENT OF EDUCATION
Student Financial Assistance Cluster
CFDA Nos. 84.007, 84.033, 84.063 & 84.268

Auditors' Recommendation: We recommend the College implement procedures to ensure that Title IV program assistance is only awarded to students in eligible programs in order to comply with the Department of Education's allowed activities and eligibility requirements.

Status: The College has implemented procedures to prevent students from being eligible to receive any Title IV funds if enrolled in an ineligible program of study.
