Meningococcal Vaccination Requirement

As mandated by section 174.335.1.RSMo, beginning with the 2015-2016 school year and for each school year thereafter, every public institution of higher education in Missouri shall require all students who reside in on-campus housing to have received the meningococcal vaccine unless a signed statement of medical or religious exemption is on file with the institution's administration. A student shall be exempted from the immunization requirement of this section upon signed certification by a physician licensed under chapter 334 indications that either the immunization would seriously endanger the student's health or life or the student has documentation of the disease or laboratory evidence of immunity to the disease. A student shall be exempted from the immunization requirement of this section if he or she objects in writing to the institutions administration that immunization violates his or her religious beliefs.
