

**STATE FAIR COMMUNITY COLLEGE
BOARD OF TRUSTEES
MARCH 30, 2023
MEETING AGENDA ADDENDUM**

10a. RAD TECH ENERGIZED LAB (VP Acuff)

It is recommended that the Board of Trustees approve the bid of \$55,189.20 from Corbett Construction of Knob Noster, MO, for the preparation of the Radiological Technology energized lab to accommodate the new Radiology X-ray system. This preparation includes upgraded electrical service, flooring, and remodeling of the lab. It is further recommended that the VP, Finance & Administration be authorized to sign all contracts and agreements with Corbett Construction necessary for the timely completion of this project. Funding for the project is capital fund reserves.
