What are the qualities, qualifications, and duties of an ambassador and how will you meet these?

What are SFCC's best qualities and how would you describe them to a campus visitor?

Please explain why you chose SFCC to continue your education:

SFCC is seeking students to join the Student Ambassador Program for 2022-2023. We are looking for outgoing participants who enjoy meeting new people and wish to be a part of our communication process for prospective students. The Ambassadors will work with the Admissions office for 2 hours each week. This weekly time may involve tours or other special events. Ambassadors will also help with letters and other materials that are sent to prospective students or given to them while they are on campus. It may involve phone calls or other duties as requested. Ambassadors will also participate in additional campus visit days and new student orientations.

It is vital that Ambassadors present themselves in a professional manner through dress and speech and those Ambassadors arrive before any scheduled tours. Ambassadors should follow the tour training when leading a group of prospective students and families on campus. Ambassadors should attempt to find another Ambassador to cover their schedule when they cannot. Scheduling conflicts should be worked out with the direct supervisor of the Ambassador program.

Please sign your application showing that you are interested in the Student Ambassador program and that if chosen you will perform your duties according to the information stated above. Please return your application to admissions@sfccmo.edu or drop it off in the Admissions Office. Please include a copy of your current class schedule, a schedule of your other activities, work obligations, and responsibilities.

Signature: _____ Date: _____
