## **A Message from the Student Life Staff**

Welcome to State Fair Community College Student Life! Our goal is to make your residence hall living experience a significant and positive part of your college journey. You will find the student life environment to be an integral part of your experience and a valuable complement to your classroom activities. As a residential student you will have numerous opportunities to interact with other students, faculty and staff to enhance your social and interpersonal growth through shared living and learning experiences. We're glad you're here and we want to make sure you have a successful year at SFCC.

Student Life is an important part of your college experience. You will notice right away there are a lot of activities not only inside the halls but outside as well put on by the Coordinator of Student Activities. However, involvement is not mandatory but we highly encourage you to get involved and make the most of your college experience by meeting new people. As part of living on campus we want you to have a home away from home feeling and to meet new people every day.

The Residence Hall Staff (RA's) are responsible for the smooth operations of each wing inside the hall. It is a huge task that they cannot do alone. Each member of the community has an obligation to assist the assigned staff with their duties by reporting problems, attending activities and following college policy. Our goal is to provide you with a comfortable, safe, and secure environment while residing inside our residence hall.

SFCC Student Life Handbook is intended to serve as your guide to the services, facilities, rules and regulations of living on campus. This handbook, in conjunction with your housing contract, serves as your agreement to abide by SFCC housing regulations and behavioral expectations. It is very important that you read and become familiar with its contents. Keep it in your room for future reference.

Best wishes for an enjoyable and rewarding year!

*~SFCC Student Life Staff~*

### **Violations Warranting Eviction**

The following violations are considered significant violations of community standards and would normally result in a student's permanent suspension from the Residence Hall, regardless of previous disciplinary history. These examples are not intended to be a complete list; residents may be subject to eviction in other situation circumstances:

Any alcohol found will be disposed of and disciplinary sanctions, including points and fines ranging from \$200-700, imposed. Persons found in a room where alcohol is present and/or being consumed are subject to disciplinary action and fine **whether or not they were drinking**. Law enforcement will be contacted as well.

The presence of full or empty alcoholic beverage containers (bottles, cans, and cases) is prohibited. This includes containers used as decoration. Severe sanctions, including the possibility of immediate suspension from the Residence Hall, are imposed upon residents who provide alcohol to others, host gatherings in their rooms where alcohol is served, or possess large quantities of alcoholic beverages, even if there are no prior sanctions on record. In addition, these alcohol violations may be referred to the Dean of Student and Academic Services for disciplinary action, including possible suspension from the College.

Minors in possession may be prosecuted by local law enforcement. Students who violate Student Life policies, procedures and rules while under the influence of alcohol and/or drugs will be subject to disciplinary action based on their offenses.

Students who are intoxicated in the Residence Hall may be subject to arrest. Students who are unable to function in a safe manner due to consumption of alcohol (public intoxication), and residents who display alcohol advertisements, signs or empty containers will be found in violation of the alcohol policy and will be dealt with accordingly. Residents who violate the alcohol policy will be subject to a monetary fine and/or points.

Residents are responsible for the behavior of their guests and persons in the company of their guest. If their guests violated the alcohol policy, residents will be sanctioned for the conduct of their guests and persons in the company of their guests.

### **Drug Policy**

**(Marijuana and/or Controlled Substances)** Illegal, addictive, dangerous or controlled substances are not allowed on Residence Hall or College property. Possession of drugs or drug paraphernalia, use, manufacture, distribution or sale of illegal drugs is prohibited. Furthermore, any use of illegal drugs is considered by the Residence Hall to be self-destructive behavior. Persons found in a room where drugs are being used or are present are subject to disciplinary action whether or not they were engaging in the behavior.

In most cases, Sedalia Police Officers and/or Pettis County Sheriff's Department will be called to the scene if there is a suspicion of drug use in the Residence Hall. All residents assigned to a particular room are subject to sanctions for violating the drug policy if illegal drugs are found in the room. If your roommate is involved in illegal activity, you are advised to contact the Director of Student Life and/or staff or contact the Sedalia Police Department or Pettis Sheriff's Department immediately.

A resident found guilty of violating the drug policy will ordinarily be suspended from the Residence Hall and/or subject to sanctions including fines and points.

Residents are responsible for the behavior of their guests and persons in the company of their guests. If their guests violate policy, residents will be sanctioned for the conduct of their guests.

Students who violate Student Life policies/procedures/rules while under the influence of drugs will be subject to disciplinary action on the basis of their offenses.

### **Weapons/Firearms**

For the safety of all residents, the possession or use of any device designated primarily for use in inflicting injury or death upon a human being or animals is strictly prohibited on Residence Hall and College property. This may include but is not limited to fireworks, BB or pellet guns and/or switchblade knives. Anyone who uses, threatens use or is found in possession of a weapon will be removed from the Residence Hall. This removal could be temporary or permanent cancellation of a resident's housing contract, depending of the severity of the situation and the outcome of an administrative investigation.

### Accidents and Illness

In case of an accident or extended/contagious illness, notify a Student Life staff member immediately, and in case of an accident, a report must be filed with the Director of Student Life within 24 hours.

### Mandatory Meetings

At least once a month, sometimes more, the Residence Hall will have Mandatory Hall Meetings. These meetings are mandatory for ALL residential students. Important information is given at these meetings. Signs will be posted throughout the Residence Hall to notify students of dates, times and place of meetings. Students who do not attend these meetings will be subject to points/fines.

### Windows

**DO NOT USE WINDOWS AS AN ENTRANCE OR EXIT FROM A ROOM!** Windows are intended to bring light and air into the building. If a person is seen passing through a window, they will face disciplinary sanctions. The screens are to remain on the windows at all times. In emergency situations, such as fire, students may pass through the window to reach safety only if it is absolutely necessary. Students are encouraged to leave windows locked to discourage unwanted guests from entering. **Screens removed or damaged will result in points/fine as well as any replacement cost.**

### Doors

Exterior and security doors are in place for the safety of our residents. **DO NOT PROP THEM OPEN OR DISABLE THEM IN ANY WAY.** When these doors are propped open and/or disabled, unwanted people, animals and bugs may enter the building. **Residents or guests found propping entry or emergency doors open will result in disciplinary action, points/fine.**

You may mount message boards on your room door with double sided tape. Do not write on the doors themselves or a damage fine will be incurred by the room resident(s).

### Candles and Incense

Burning of incense and/or candles **IS NOT** allowed because of the risk of smoke and fire. Smoke detectors in the Residence Hall will detect smoke from these items and will trip the fire alarm. **Tampering with smoke detectors will result in fine and possible eviction.** If you smell smoke, contact a member of the Student Life staff immediately.

### Personal Property

The College assumes no liability for any loss or damage to the personal property of the resident, except as may be caused by negligent acts of its employees, and SFCC does not carry insurance on the personal property of the resident. Each resident should determine if his or her personal property is covered by parents' homeowner's policy or should purchase whatever personal property insurance is desired. Residents are discouraged from keeping large sums of money or valuable property in the Residence Hall and are encouraged to lock their door and window. If a theft occurs, report it to a Student Life staff member. Any resident found guilty of theft of another resident's or College property will be evicted.

### Pets

No pets other than fish are allowed. Nothing larger than a ten gallon tank is allowed. Residents found in violation of this policy will be required to remove pets immediately.

### Room Changes

A student requesting a room change must secure approval from the Director of Student Life. Reasonable attempts will be made to try to accommodate all parties.

Three weeks after the start of a semester, residents are allowed to make room changes approved by the Director of Student Life. After completing the necessary forms, the move must be completed within 24 hours. If the Residence Hall is full it takes 4 residents to come forward and agree to a room change.

Unauthorized room or hall changes or failure to vacate a room at the time designated by SFCC may result in sanctions. Once the charge is placed a daily rate will begin until the charge is paid in full. All forms must be completed before the move. All moves must be completed within 24 hours after approval. The Director of Student Life reserves the right to limit the amount of moves a resident makes a semester.

### Room Inspections/Health and Safety Checks

Student Life staff will perform room inspections/health and safety checks monthly throughout the school year. Notification, such as signs stating that health and safety checks will be done soon, will be posted. At the time of inspection, if resident(s) are not present, the Director of Student Life and Administrative Assistant will key in room to inspect. The purpose of the inspections is to assess any damages to the room or furniture provided. If damages are noticed, the Student Life staff will notify the resident(s) and enter any damage charges or fines onto the student's account. The resident will be given one month to take care of the charges. Failure to pay the charges will result in eviction. During the inspection, the Student Life staff will also assess the cleanliness of the room; if the room is not kept clean, the Student Life staff will give resident(s) 24 hours to clean accordingly to instructions given by the Student Life staff. Failure to clean the room will result in the resident's responsibility to pay for a fee for our custodial staff to clean.

Common areas (hallways, lounges, stairways, entrances and areas around the perimeter of the residence halls) will also be inspected. Any damages done to the common areas will be the responsibility of **ALL** residents. If the individual who is responsible admits that he/she is responsible, charges will be his/her responsibility. If, after 48 hours of inspection no one has come forward, charges will be divided amongst all residents in a particular hall.

### Keys

Residents will be issued an access card to enter front entryway doors of the Residence Hall, as well as a room key and a mailbox key, at check-in. **These keys are NOT TO BE DUPLICATED and residents will be assessed a disciplinary fine if such activity occurs.** The charges related to lost or damaged keys/cards are as follows:

- Access Card               \$15.00
- Room                         \$15.00
- Mailbox key               \$10.00

*\*Please note: If keys are not returned during the check-out process there will be a charge of \$50.00 per card/key.*

Residents should lock their door and take their keys with them whenever they are out of their room. The Student Life staff should not be relied upon to unlock your door or let you in the main doors. In the event that a resident excessively locks him/herself out, charges or fines and/or points may be implemented. Improperly using room keys, including loaning them to persons not authorized by SFCC to be present in resident rooms or the Residence Hall and/or losing your keys can result in disciplinary action.

### **Meal Plans**

All residents must be on a meal plan, there are no exceptions. There are 19 meals a week included in the Residence Hall Room/Board fees. Students are not to share food with any guest. Students who are found sharing or giving food to non-paying customers will be subject to disciplinary action, including points/fines and possible eviction.

### **Personal Hygiene**

Because of the close nature of living in the Residence Hall, residents must be conscious of their personal living habits. Personal cleaning and grooming habits are important to your health and to others who live with and around you. SFCC expects that a reasonable level of cleanliness will be maintained in resident rooms and reserves the right to inspect resident rooms concerning this health issue. Should problems or disputes arise over this issue, Student Life staff may intervene.

### **Search and Seizure**

While the Residence Hall and College respect the right of privacy of the residents, the Residence Hall and College reserves the right to enter rooms and vehicles on campus premise without advance notice for the following reasons:

1. To make maintenance repairs, conduct an inspection/health and safety check or conduct routine pest control applications.
2. When there is reasonable cause to believe a threat to life, health or safety exists.
3. When there is reasonable cause to believe illegal activities are going on in the room.
4. When there is reasonable cause to believe that a resident has left the area and a nuisance noise is coming from the room. (i.e. loud televisions, radios or alarms not shut off)
5. When the Student Life staff believes campus policy or local, state or federal laws are not being followed and has been denied permission to enter a room.
6. When a police dog indicates there may be illegal drugs stored on SFCC property.

**NOTICE!** If the Student Life staff believes campus rules are not being followed and permission to enter a room has been denied by the resident, the local authorities (police or sheriff) will be contacted. When you leave your room, turn off lights, TVs, radios and other items that do not need to be on 24 hours a day.

**The Student Life staff has authority to enter a room for any of the above reasons. You have the right to privacy but if you are infringing on the rights of others or there is a life-threatening situation, then your right to privacy becomes secondary.**

### **Security**

For the safety of lives and property of residents, the entryway doors (Main, East, West) are locked 24 hours a day, with the exception of some days during regular office hours the main entrance may be open and can be visually monitored. Your room access card will open the entryway doors. The Residence Hall and College recommends that all residents keep their doors locked at all times. Each resident has their

own room key. If there is any suspicious activity around the Residence Hall or campus, report it to a Student Life staff member or the campus deputy. Do not hesitate to call the police in emergency situations. **Do not prop the exterior doors open.**

### **Smoking/Tobacco Policy**

State Fair Community College is tobacco- and smoke-free. Use is limited to vehicles parked or driven on designated college parking areas and roads. See SFCC's Policy and Regulation 5250. The use of smoking or smokeless tobacco products is prohibited inside the Residence Hall, student rooms and in all public areas. Public areas include hallways, stairways, lobbies, lounges, restrooms, sidewalks, etc. Students who violate these regulations will be subject to disciplinary action through Student Life and/or per the Dean of Student Academic and Support Services and/or via local law enforcement.

### **Stereos/Home Theatre Systems**

The Residence Hall is not built to handle the sounds of a home stereo system. **ONLY** small boom boxes will be allowed. Please respect the rights of others. Multiple noise complaints will result in suspension of these privileges.

### **Parking & Driving**

Parking is available at the Residence Hall for residents and staff.

- **Do not park in staff parking.**
- Only park in one designated parking spot.
- Driving in a careless, reckless or imprudent manner is prohibited.
- Obey directives of authorized personnel performing traffic control duties.
- Speed limit is 15 MPH.
- **Obey Stop Signs! These are state roads and stop sign violations are imposed by police.**

- **Do not drive or park on the sidewalks or grass.**
- No vehicle shall be left on college property for more than 72 hours without permission.
- **Students/visitors may be fined or have their parking privileges removed.**

Persons who violate parking violations will receive ONE warning. Second and succeeding violations within an academic year will be reported to the Campus Resource Officer who may authorize the towed removal of said vehicle at the owner's expense.

### **Vacations and Breaks**

During official College vacation periods, the Residence Hall will be closed. Residents will have to vacate their rooms for those vacation days. The Director of Student Life may approve, prior to the break, a student staying on campus while taking classes over the break or involved in intercollegiate athletics. Anyone who is in the Residence Hall during this time without prior approval will be assessed a disciplinary action violation as outlined in this handbook, as well as an \$80 a day charge for being in the hall. **Students with these types of circumstances MUST get approval to remain on campus from the Director of Student Life prior to the break.**

The Residence Hall closes at 5 p.m. the start of all breaks. During finals week students have to be out of the Residence Hall 24 hours after their last final. The Residence Hall closes for Thanksgiving break, Christmas break and Spring break.

### **Check-Out Process**

The checkout process differs from checking out for breaks, such as Thanksgiving and Spring Break, to checking out at the end of the semester. This information will be gone over in mandatory hall meetings. It is important to follow all checkout procedures or students will be subject to fines/points and/or the housing deposit.

### **Visitors/Guests**

SFCC allows students to entertain guests of the opposite sex for informal social activities and study. However, please exercise concern for your roommate and his/her privacy throughout the day. At no time should access be denied to the other person living in the room. Remember, at no time are members of the opposite sex permitted to spend the night in a resident's room. No one under the age of 18 is allowed in the hall, unless he or she is a sibling or whose visit has been approved by the Director of Student Life. **Visitation hours for members of the opposite sex: 8a.m. through midnight Sunday through Thursday and 8a.m. through 1a.m. the next morning on Friday and Saturday. All residents must be out of the opposite sex hall before the end of visitation hours. The Residence Hall opens at 8 a.m. and closes at 2 a.m. to everyone other than residents and their registered guests.**

Guests are always welcome at the Residence Hall. Non-Residential SFCC guests of a resident may stay overnight in a student room provided the Director of Student Life has approved in advance and the following conditions are met:

1. Both roommates must approve the visitation on the Guest Request Form.
2. The guest is the same sex as the sponsoring resident and is over 18 years of age.
3. The guest's stay does not exceed three nights in a 30-day period.
4. The sponsoring resident is completely responsible for his or her guest's behavior and actions during the visit. If a guest violates any of the Residence Hall Housing Agreement his or her host will be held responsible for their actions and the guest could be banned from the Residence Hall.
5. The guest must be in the presence of the sponsoring host at all times.
6. The Office of Student must receive a Guest Request Form at least 24 hours before the proposed visit.

*All times are subject to change. Coaches may impose stricter guidelines for SFCC athletes.*

### **Fire Procedures**

In the event of a fire, the following procedures should be used:

1. Pull the fire alarm.
2. Evacuate the building.
3. Report to the designated area.
4. Notify RA staff to call 911.

If the fire alarm sounds, do the following:

1. Evacuate room, leave door unlocked.

2. Report to designated area, notify others on your way out.
3. Notify RA staff.
4. Do not re-enter building until authorized officials give you permission to re-enter.

### Designated Fire Evacuation Areas

The designated area to report to in case of a fire is the basketball goal in the parking lot of the Residence Hall. Every effort has been made to ensure the fire-safe construction of the Residence Hall. Observing common sense and safety consciousness will prevent a careless fire. If the fire alarm goes off, all residents and/or their guests **MUST** evacuate the building. **Any resident that does not leave the building during a fire alarm will result in disciplinary action including points and fines.** The exits are clearly marked in each hall and each hall/room have fire escape routes posted. Fire extinguishers and fire alarms are also easily located. Please make note of the location of these items. Fire extinguishers may be used effectively to contain fires, but do not endanger your safety by using one instead of evacuating the building. **USE CAUTION!** The Student Life staff will instruct you on proper use of the extinguishers. At least twice during each semester, staff will conduct unannounced fire drills. **Do not tamper with fire extinguishers and/or fire alarms when the threat of fire is not a present danger, or disciplinary action including points/fines and possible prosecution will result.**

### Weather

In the event of severe weather, such as tornado, residents should follow posted instructions and instructions from the Student Life staff. Severe weather instructions are posted throughout the Residence Hall in rooms/halls/entryways. The ground floor is the safest place for shelter. The Residence Hall has a designated area to report to in case of tornado, if there is sufficient time to exit the building. Tune to local television/radio stations for information on weather developments.

### Designated Areas for Tornado Shelter

The designated areas for severe weather (if time is sufficient to exit the building), such as tornado is the Multipurpose Center (MPC) entering through the west doors.

### Noise

Noise is a frequent cause of complaints in a residence living environment. The Residence Hall is first and foremost a place of study and an atmosphere conducive to study needs to be maintained. **Therefore, courtesy hours are in effect at all times.** Residents must insure that the noise level is at a reasonable level during courtesy hours and a very low level during quiet hours. Residents must be considerate of others in their use of stereos, televisions, musical instruments, voices, etc. in their rooms as well as the halls and other common areas. The Student Life staff has the right to determine whether or not a resident is being excessively loud. During quiet hours, noise that can be heard significantly beyond two doors down the hallway may be considered a violation. **Quiet hours must be observed from 10 p.m. to 10 a.m.**

Noise complaints and issues will result in disciplinary action including points/fines. Persistent noise problems will result in referral to the Director of Student Life with possible eviction.

During finals weeks, quiet hours are 24 hours a day. The 24 hours a day quiet hours will usually be observed from 1 a.m. the Friday before finals through 5 p.m. on the last day of the finals. **During finals week, if this policy is broken students will be subject to eviction immediately.**

# JUDICIAL PROCESS

## Point System

- If a student reaches 22 points, he or she may be required to evacuate the Residence Hall within 24 hours. Each policy states the minimum amount of points and fines that the student may be subject to per policy. Depending on whether the violation is a minor or major violation determines the amount of the points/fines and will increase with each subsequent violation, i.e. 1<sup>st</sup> Minor Violation - \$50/3 points and 2<sup>nd</sup> Violation - \$100/6 points, etc.
- If a student accumulates 14 or more points, it will affect their eligibility to live in the Residence Hall the following academic year. Eligibility defined as whether or not the student can live in the Residence Hall.
- Students who have accumulated points over the semester may apply for the Point Reimbursement Policy (next section) in the Office of Student Life.

## Accused Student/Resident

- Accused students will receive a letter stating the policy violated with possible fines. The accused student will meet with the Student Life staff to review the letter and all policies violated. At this time, the Student Life Staff can address all questions the accused student may have. Applied fines will be on a student's account; the letter will have the due date for the fine. A fine not paid in full by the deadline will result in a daily charge of \$10 will be applied and/or a possible hold on the account.
- Students are to pay fines to the Business Office and present the letter stating the amount at the time of payment.
- If a student repeats a violation during a contract period, the points and fine will increase according the Policy/Conduct and Sanctions section of this handbook, for each subsequent violation. This policy goes into effect at the start of the fall semester and ends at the end of the spring semester, (does not reset at the beginning of spring semester.)

## Appeal Process

- If the student chooses to write an appeal, he or she will have 24 hours to complete and submit the Residence Hall appeal form found on MYSTAR. In the event of a response denial or the resident chooses not to respond, the consequences will take effect.
- If the student wishes to appeal the Campus Judicial Officer's decision, he or she will have ten business days to file the appeal.
- Upon a granted appeal, the Dean of Students and Academic Support Services may reduce sanctions based on the Campus Resolution Committees suggestions.

## POINT REIMBURSEMENT POLICY

At State Fair Community College, we surround ourselves with being a learning-centered living community. We do our best to make sure all students have the chance to educate themselves on the mistakes that they have made throughout the year. This policy is put in place not to punish students, but to let students give back to SFCC on the mistakes that they have taken ownership for while residing inside the Residence Hall at SFCC.

Point reimbursement will only be for policy's that are broken one time. Policies broken more than one time will not be eligible to earn points back. In the event earned points for the policy, for the first occurrence but then the policy is broken again will result in doubling points. Points will get taken off once application process is completed. Students will be placed on point probation, if a single policy is broken during the application process the student will forfeit the points. If the student enters the policy at or above 22 points and breaks another policy, the student will be evicted and given less than 24 hours to check out.

*State Fair Community College Student Life staff will offer the opportunity for all residential students to take part in the application process for the Point Reimbursement Policy. The following steps are for students who would like to apply.*

1. The student will type a one-page paper stating why they would like to continue residing in the Residence Hall and how the Residence Hall has helped them be successful at State Fair Community College. The student will return the paper 24 hours after applying for the PRP.
2. (Double spaced, 12-point font, Times New Roman)
3. The student will then meet with the Director of Student Life to go over the typed paper and the points that are eligible for point reimbursement. The student will give the Director of Student Life their class schedule along with dates they may be busy. (Athletics, job, family events, etc.)
4. A list of events with a signature page will be created for the student to begin attending. If any activities are not met the application will be forfeited. If the student is at or above 22 points the eviction process will be arranged. The individual who is in charge of the chosen event for day will sign off at the end of the event.
5. Students who are applying for the PRP and are at or below 13 points will be given two weeks of activities. Students who are at or below 21 points will be given one month of activities to attend. Students who are at or above 22 points will be given activities for the rest of the semester or two months' worth. If the semester has less than one month remaining the application process may continue during the first month of the next semester totaling 2 months of activities to attend.
6. Activities include but not limited to: Student life campus activities, Resident assistant programs, Residence hall service with cleaning staff, SFCC Service with maintenance staff, Concession service for athletic events, meeting with Dean of Students and Campus Deputy.
