State Fair Community College is requesting sealed bids for the New Center for Advanced Agricultural and Transportation Technology building. The project consists of a 57,700-sf facility housing Agriculture Mechanic and Automotive Technology programs, located in the City of Sedalia in Pettis County, Missouri.

It is anticipated that this Project will be funded or assisted, in whole or in part, through ARPA funding. All Contractors shall comply with Missouri's Prevailing Wage Rates and Laws. Minority Business Enterprises (MBE), Women's Business Enterprises (WBE), and Section 3 – Disadvantaged Business Enterprises (DBE) bidders are encouraged to bid. This is also subject to Missouri public works requirements, including without limitation, payment and performance bond requirements.

Sealed bids shall be delivered to Project Manager Mr. Ben Burson, State Fair Community College, 3201 W 16th St., Sedalia, MO 65301 no later than **3:00 pm, on Friday November 17, 2023**. Bids will be opened and tabulated in a public bid opening to be held on that date and time at the Administration Board Room in the Hopkins Student Services Building, at the address above. Bidders shall submit a bid in conformance with the Instructions to Bidders in the Project Manual.

Digital Plans and Specifications for the project will be available for download and/or non-refundable purchase after October 20, 2023, from Engineers Reprographics; 417-869-2222; www.erdigital.com AND Drexel Technologies; 913-371-14430; <https://planroom.drexeltech.com> Questions regarding the Project should be directed to Sapp Design Architects, 1100 Main Street, Suite 400, Kansas City, MO 64105, 417-877-9600, or via email attention Matt Hasek, hasek@sdaarchitects.com

A Pre-Bid Conference is scheduled for Friday November 3, 2023, at 2:00 p.m. at the Administrative Board Room at State Fair Community College, with a tour of the site following the Conference. (Access to the Site will be limited to the day of the Pre-Bid Conference.) Attendance of the Pre-Bid conference is optional, however, no allowance will be made to a bidder because of a lack of knowledge of site conditions.
