Additional Responses to Questions Received as of May 6, 2026

1. I understand that three (3) physical hard copies are to be delivered to your attention by Friday, May 15th at 4pm. Is there a page limit on the submission?

No page limit. Do what you feel is appropriate.

2. It is noted in the RFQ that resumes should be no longer than 1 double-sided page. Can we assume that the entire submission may be printed double sided?

Yes – your choice.

3. The RFQ notes that resumes should be provided for all key personnel proposed to work on the project in **section B.2.b.iv** but then goes on to state that resumes may be placed in the Appendix. Can you please clarify where you would like all resumes to appear in the tabbed RFQ response?

I'm not a stickler on where they go as long as they're in the response somewhere.

4. In **section B.1.b.v**. There is a request for the "average number of staff employed." Can you clarify over what time period you would like to know the firm's average personnel size?

The goal is to understand the general size of the firm. I would say over the past year would be appropriate.
