

State Fair Community College
SFCC RFQ 26 -013: Agriculture Innovation Center
Responses to Questions Received as of April 27,2026

1. Will Justin David be the point person or will there be an independent owner's rep? [Justin David is currently planned as the point person.](#)
2. Is there a survey of the property where the new Ag facility is going to be located? If not, does the college have that in process or do we need to include that? [No survey of the property has been done. You may add it to your bid but show it as an alternate.](#)
3. Does the college have any preference for, or opposition to, any engineering consultants who are local or who they have worked with in the past? [We are relying on the Architect to select the engineering consultant.](#)
4. Is this facility going to require any USDA approvals/certifications that might impact schedule? [None that we are aware of and assume none for purposes of scheduling.](#)
5. Has a date been set for interviews so we can block out our calendars? [Our intent is to hold interviews late in the week of May 18 and during the week of May 26.](#)
