Why an Associate of Arts degree?

More than 5,000 students choose SFCC each year, and about half start their bachelor's degrees here by earning an Associate of Arts (AA) degree and taking advantage of small classes, superb educators, transfer options, and affordability.

If you're undecided on a major, the AA degree can serve as a springboard to explore new interests. Your navigator can help you develop an educational plan that includes both general education classes and electives and also can introduce you to transfer options.

Is this Program Right for Me?

If you know you want to transfer to a four-year college but want small classes, one-on-one interaction with your teachers and less college debt, an AA degree at SFCC is right for you. If you're not sure where you're headed, an AA degree allows you to try different classes and explore your interests.

Transfer and Bachelor's Degree Options

SFCC has agreements with many four-year schools that ensure our credits transfer. We have augmented agreements with Central Methodist University (CMU) that provide bachelor's degree programs at SFCC's Sedalia, Clinton, Lake of the Ozarks, and online campuses; University of Central Missouri (UCM) and University of Missouri-Columbia for specific on-ground programs; and Drury University, Grantham University and University of Phoenix for specific online programs. CMU and UCM also offer dual admission through SFCC.

Apply—It's as easy as 1, 2, 3!

1. Apply online at www.sfccmo.edu.
2. Submit placement scores and official transcripts.
3. Enroll in classes!

Student Success Navigator

Once admitted, your assigned Student Success Navigator works with you, one-on-one, to schedule classes and navigate you to success. To learn more, visit www.sfccmo.edu/navigator.
