Why Art?

An Associate of Fine Arts in Art degree from SFCC will prepare you to enter a Bachelor of Fine Arts program at a four-year art school, college or university.

The Fine Arts program is a foundations program for visual art students. You will learn to develop and explore your ideas and craftsmanship in a variety of art classes, exhibition opportunities and field trips. Classes such as drawing, design, figure drawing, painting, ceramics, sculpture, art history, watercolor, printmaking, and fibers make up the core of the art classes. Our program allows you the opportunity to discover who you are and what you want to do by experiencing all aspects of art. Careers in art are limitless and include jobs in painting, drawing, sculpture, teaching, fashion design, animation, 3-D art, and graphics.

You will have the opportunity to develop an art portfolio and participate in the annual student art show.

Follow all of SFCC's fine and performing arts programs and activities on Facebook at www.facebook.com/sfccmothearts.

Daum Museum of Contemporary Art

Another exciting aspect of studying art at SFCC is exploring the Daum Museum of Contemporary Art on campus.

The Daum Museum, named for collector and benefactor Dr. Harold F. Daum, contains nine galleries devoted to the exhibition of art from the last 30 years. The museum's permanent collection is comprised of abstract paintings, drawings, prints, works in clay, and sculpture created since the mid-20th century by many of America's most celebrated artists, including Andy Warhol, Helen Frankenthaler, Peter Voulkos, and Betty Woodman.

The museum presents a full calendar of changing exhibitions in multiple gallery spaces as well as selected works from the permanent collection. Art instructors incorporate the dynamic exhibitions into curriculum and expose students to the history of contemporary art and the vibrancy of visiting artists who share their talents and views of art.

For more details visit www.daummuseum.org and like the Daum on Facebook at www.facebook.com/daummuseum.
