2018 SFCC (SEDALIA) CRIME STATISTICS 17

Introduction

State Fair Community College (“SFCC”) cares about your safety. This report is designed to inform the SFCC campus community of any crimes reported on or adjacent to campus. These crimes may not always involve SFCC students, but may help students make better decisions concerning safety. This report includes several areas of information about what to do if you are the victim of a crime, how to report a crime, and important contact information. This report will include crime statistics for the past three years that have occurred on all SFCC campuses.

References to specific SFCC Board of Trustee policies and corresponding regulations are noted throughout this report.

The Clery Act

The *Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act* and Drug-Free Campus/Drug-Free Workplace legislation is a federal law that requires colleges and universities to disclose information about crime statistics as well as information about campus policies and practices for promoting crime awareness, campus safety and security. The act is named in memory of Jeanne Clery, a 19-year-old Lehigh University freshman who was assaulted and killed in her residence hall room on April 5, 1986.

Campus Crime and Security

Security Services

(Policy 2820/Regulation 2820)

SFCC does not employ a full-time campus police force, however SFCC will provide a Campus Resource Deputy through the Pettis County Sheriff's Office on business days throughout the year and special events at the main Sedalia campus. SFCC students and employees must take an active role in ensuring their personal safety and security. Individuals are expected to function responsibly concerning their personal safety and the security of their possessions.

Campus Resource Deputies have the authority to ask persons for identification and to determine if whether the individuals have lawful business at SFCC. SFCC has the authority to issue parking tickets, which can be billed to the financial accounts of students, faculty, and staff. Criminal incidents are referred to the Campus Resource Deputy or other local law enforcement. The Sedalia Police Department or Pettis County Sheriff's Department have jurisdiction on the main campus and each extended campus has local law enforcement agencies.

To report a crime

Contact the Campus Resource Deputy at 660-596-7110 (non-emergencies), or dial 9-1-1 (emergencies only). The 911 number can be dialed from any telephone on campus.

All crime victims and witnesses are strongly encouraged to immediately report the crime to the Campus Resource Deputy, the numbers above, or the local law enforcement agency. Prompt reporting will assure timely warning notices on-campus and timely disclosure of crime statistics.

Persons reporting criminal incidents should provide as much information as possible including location, nature of injuries, description of persons involved, and briefly, what happened.

Daily Crime Log

A daily log of crime reported to Campus Safety and Security is maintained by the Campus Resource Deputy. The Daily Crime Log is available for review in the Campus Resource Deputy's office at the SFCC Sedalia Campus, and is posted to the SFCC website regularly.

Sedalia Police Department and Pettis County Sheriff's Office

(Policy 2820/Regulation 2825)

Immediate response will be provided by the Campus Resource Deputy of the Pettis County Sheriff's Office (contracted 40 hours per week). However, the Sedalia Police Department has full police power, including arrest authority and power to search and routinely patrol the campus, as they would any other citywide area.

At times, the Missouri State Highway Patrol may also assist.

Off-Campus Student Organizations and Monitoring of Criminal Activity

(Policy 2820 /Regulation 2827)

SFCC does not currently offer off-campus student organizations or off-campus student organization housing.

SFCC Student Organizations are encouraged to hold all activities on-campus, however if there is an activity held off-campus, Sedalia Police, Pettis County Sheriff's Department, Missouri Highway Patrol, or other local law enforcement (if outside Pettis County).

SFCC reserves the right to sanction students or student organizations for off-campus conduct that both violates the Student Code of Conduct and/or local, state or federal laws, particularly if such conduct impacts on-campus operations.

Confidential Reporting of Crime

(Policy 2820/Regulation 2824)

Voluntary Confidential Reporting

SFCC does not have a voluntary confidential reporting system for annual crime statistics. In order to best protect the safety and security of our campus community, the following are important reasons to promptly report crime:

- Timely notification about certain types of crime may affect the safety of others. These crimes include murder, rape, sexual assault, burglary, robbery, motor vehicle theft and arson; and

- When you make your report, you assist Campus Safety and Security in maintaining accurate records of the incidence of crime on campus. This information helps to keep the campus safe by providing the most accurate information on criminal activity to members of the campus community.

Limited Confidential Reporting to Counselors

SFCC licensed professional counselors/social workers will inform students of the reporting process and encourage students to self-report incidents or alleged crimes to campus safety and security for the annual report. The licensed professional will report the type and quantity of the reported crime to campus safety and security without revealing the source of the information. Privileged information will only be reported to campus safety and security with the student's written approval or if the licensed professional counselors/social workers feel the incident requires immediate attention for the safety of others.

Victim Assistance

SFCC will assist victims who are students of the College with accessing community resources, making changes in academic schedules or living arrangements (for Residence Hall students) if desirable and/or available. Changes may be approved by the Dean of Student and Academic Support Services, Vice President of Educational and Student Support Services, or the Director of Student Success and Retention.

Security and Access to Facilities

(Policy 2820/Regulation 2821)

During business hours the college (excluding housing facilities) will be open to students, parents, employees, contractors, guests, and invitees. During non-business hours access to all college facilities will be by key or by admittance to the Residence Hall as a guest of a resident. In the case of extended closing, the college will admit only those with prior approval to facilities.

The Residence Hall is secured 24 hours a day. Access is limit to those with access cards and their accompanied guests. Some facilities may have hours that vary throughout the year (i.e., the Fred E. Davis Multipurpose Center).

Emergencies may necessitate changes or alterations to any posted schedules. Areas that are in need of security enhancements or repairs will be communicated to the Campus Facilities Committee. The Campus Facilities Committee meets monthly to discuss issues of pressing concern.

SFCC Maintenance department will conduct regular surveys of campus lighting, locks, alarms, and landscaping for needed repairs. Informational Technology Services (ITS) will monitor communications and network capabilities and assess and repair issues should they arise.

Missing Students

(Student Life Handbook 2019-2020; Policy 2400/Regulation 2400)

If a student living in the SFCC Residence Hall is determined to be missing for 24 hours, the Director of Student Life will contact the student's emergency contact as listed on the housing registration form and/or Banner. The Student Life Director will also contact the Campus Safety and Security, the Dean of Student and Academic Support Services, or his/her designee, and local law enforcement.

All emergency contact information for SFCC students shall be kept confidential, and may be changed upon the student's request with the Office of Student Life and/or the College Registrar. Such information is considered protected under FERPA, and will only be disclosed with authorized campus personnel in the event of an emergency, or if there is legitimate educational interest. Further, such information will only be disclosed to law enforcement or other first-responder personnel outside the College when there is an imminent health and safety emergency.

Preparation and Reporting of the Annual Disclosure of Crime Statistics

(Policy 2820/Regulation 2822)

Preparation of the annual disclosure of crime statistics as required under the *Jeanne Clery Disclosure of Security Policy and Crime Statistics Act* is prepared by the Campus Judicial Officer. Both the complainant and the respondent will be informed of the outcome of any College disciplinary proceeding that involves claims of sexual misconduct. The outcome will only include the College's final determination with respect to the sexual misconduct claim and any sanction that is imposed against the respondent.

All allegations of sexual misconduct will result in the following, regardless of findings:

- No contact order between the complainant and the respondent; and
- Expectations of no retaliation between any parties involved. This will include friends, allies, and or support persons for either party.
