State Fair Community College requires assessment and mandatory placement to help students succeed. All students are required to complete a placement test or submit official copies of ACT, ACCUPLACER, or SAT scores or an official college transcript from a regionally accredited institution before enrolling. The placement tests gauge proficiency in English, mathematics, and reading. Contact Testing Services for a complete version of Regulation 6410 or visit [www.sfccmo.edu](http://www.sfccmo.edu). State Fair Community College only uses Accuplacer Next Generation Quantitative Reasoning Algebra and Statistics (QAS) and Advanced Algebra and Functions (AAF) for placement into math courses.

**\*\*A student may only move one course in either the MATH or ENGL sequence using Multiple Measure Placement. Multiple Measures do not apply to MATH 111. An official High School transcript must be supplied to the Admissions and Outreach Office prior to enrolling in English or math to qualify for the multiple measure. Please contact Testing Services or Admissions with questions.**
