*E cielo e terra si mostrò qual era:.....And sky and earth showed what they were like:
La terra ansante, livida, in sussulto:.....the earth panting, livid, in a jolt;
il cielo ingombro, tragico, disfatto:.....the sky burdened, tragic, exhausted:
bianca bianca nel tacito tumulto.....white-white in the silent tumult
una casa apparì sparì d'un tratto:.....a house appeared, disappeared in the blink of an eye;
